

Murray Manor's Cafeteria

How to Set Up an Account

- All students have a cafeteria account. If you'd like to utilize the account, please add money to it by either: (1) Fill out a Prepaid Meal Money envelope and drop it in the Green Box in the office with cash or a check. (2) Go online to [MyPaymentsPlus.com](https://www.mypaymentsplus.com) and pay by credit card. There is a transaction fee of 4.75%.
- Parents are highly encouraged to set up a pre-paid account for forgotten lunch money days or for every day.
- No child goes away hungry! Students can charge up to \$5.00 on their account and still receive an entrée. If a child forgets his/her lunch or money and has charged over \$5.00, a cheese sandwich and an unlimited salad bar with fruits & vegetables is offered to those students.
- A menu of rotating items, which includes juice and milk, will be in the first-day student packet. **A complete meal for lunch is only \$2.50.**
- We also offer **Breakfast, 7:30 - 7:50 every morning and 2nd Chance Breakfast during 1st recess for only \$1.25.**
- Free and Reduced applications are included in the student's packet and in the office. Also, you may go on the District's website to apply for no-cost meals at mealapplication.lmsvsd.net.
- The National School Breakfast/Lunch Program offers a variety of fruits and vegetables, serves only low-fat and fat-free milk and nutritionally-equivalent non-dairy alternatives as defined by USDA, and ensures that half of the grains served are whole grains and/or a mixture of grains.
