

Rolando Elementary
School Accountability Report Card

Board Approved on January 12, 2016

La Mesa Spring Valley School District

Rolando Elementary

California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement - Most Recent Year

Built in 1946, Rolando Elementary School is located in La Mesa, California and serves approximately 560 students. Rolando Elementary is designed to meet the various instructional needs of students in kindergarten through sixth grade. Nineteen classroom teachers, together with special education staff, an intervention teacher, support staff, and administration ensure successful learning experiences for each child.

Our Peace Circle program supports all students in developing the intrinsic values that allow them to be caring citizens. Programs like Peace Circle, Second Step and Conflict Managers increase their abilities to solve interpersonal problems peacefully. Our Specialized Academic Instruction (SAI) classroom provides targeted instruction for students with special needs with the support of two paraprofessionals and one SCIA. Our intervention teacher provides daily instruction for students who need additional support in reading and English language acquisition. Our classroom teachers differentiate instruction to meet the needs of all learners. A variety of after-school enrichment classes provide additional opportunities for students to advance their skills and develop their interests. We offer a high quality, academically-based, before and after school program through ESS (Extended School Services).

We have defined our purpose to build a strong academic and character foundation in each child by providing an instructional program that emphasizes high standards of achievement partnered with character education to develop responsible citizens. We want all students to learn at high levels every day. We are tenacious about improvement, and use a collaborative model with research-based practices to accomplish the goals we set each year.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2013-14	2014-15	2015-16	2015-16
With Full Credential	22	20	21	547
Without Full Credential	0	0	0	0
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Last updated: 12/31/2015

Teacher Misassignments and Vacant Teacher Positions

Indicator	2013-14	2014-15	2015-16
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	45%	44%	44%
Mathematics (grades 3-8 and 11)	42%	37%	33%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

Students Receiving Migrant Education Services	0	0	0.0%	0.0%	0.0%	0.0%	0.0%
Foster Youth	--	--	--	--	--	--	--

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

* Level 1 = Standard not met
 Level 2 = Standard nearly met
 Level 3 = Standard met
 Level 4 = Standard exceeded

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement - Most Recent Year

Rolando supports the research that overwhelmingly demonstrates parent involvement in children's learning is positively related to achievement. Simply put, there is a positive and convincing relationship between family involvement and students' improved academic achievement. This relationship holds true across families of all economic, racial/ethnic, and educational backgrounds. We know and recognize that there are several types of parent involvement and it doesn't have to take place on campus. In fact, family involvement and support from home has the greatest impact on student achievement. We work with all of our families to help them be engaged in their children's learning. We have parent involvement groups and we strongly encourage parents to participate in PTA, School Site Council, the English Learner Advisory Committee, Watch D.O.G.S., and our newly opened Parent Workroom/Center. There are also other parent committees that are formed for specific programs or needs throughout the school year. We want all parents to feel welcome and important at Rolando; that is why we encourage volunteering in your child's class, in the library or on the playground. A great starting point is to get involved is with your child's teacher or with our strong and effective PTA. You will be warmly welcomed!

Contact for Parent Volunteers: Marla Locklar, 619-668-5800

State Priority: Pupil Engagement

Last updated: 12/31/2015

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

Rate	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15
Suspensions	1.6	2.1	1.4	3.8	6.1	3.8	5.1	4.4	3.8
Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan - Most Recent Year

Current site Comprehensive School Safety Plans (CSSP) are received by the District each year and are approved by the La Mesa-Spring Valley School Board of Educations. Each site's plan outlines systems, programs, and practices in place to ensure a safe school environment including, but not limited to, child abuse reporting, disaster preparedness, campus access, and drug and alcohol education and cessation. Each site has one teacher appointed as the school's Health and Safety Officer. This person and the site principal presented their School Safety Plans to their respective School Site Counsel for review and acceptance prior to submission to the Board of Education.

CSSP was presented to School Site Council in December 2015

Professional Development – Most Recent Three Years

Professional Development is not a one-time event in La Mesa-Spring Valley. During the most recent three years, all teachers participated in 1.5 days of staff development on days when school was not in session. Professional development is also offered during student breaks and summer, in which many teachers

participate. Specific professional development takes place over 100 of the days students are in school. Professional development is delivered through full-day and after school workshops, coaches modeling and observing classroom lessons, and conference attendance. Professional learning communities of teachers at the same grade level and content area work collaboratively every Tuesday afternoon (modified student days) focusing on improving student learning. This includes analyzing student assessment data, writing SMART Goals and Learning Targets, and planning interventions and enrichment for students. New teachers are supported by the Beginning Teacher Support and Assessment (BTSA)/Induction program through support providers. The Peer Assistance and Review program supports teachers experiencing difficulty. Classified staff, including clerical and custodial, are given training and workshops related to the needs of their jobs. Areas of focus for professional development are selected balancing district needs and staff requests.

For the most recent three years almost all professional development has focused on the content and implementation of the new State Standards, including increasing rigor through an understanding of Depth of Knowledge, and the use of new technology (iPads) in classrooms for both teachers and students.

The District staff development is focused on the Implementation of Common Core State Standards.

1. English Language Arts
 - A. Reading and Content Area Literacy
 1. Close Reading
 2. Academic Vocabulary
 3. Text-based Questions/Answers
 4. Increase Reading of Information Texts
 - B. Writing
 1. Opinion/Arguments
 - C. Speaking and Listening
 1. Collaborative Conversations/Accountable Talk
2. Mathematics
 - A. Math Tasks
 - B. Mathematical Practice Standards
 - C. Newly adopted math textbooks aligned to CCSS.
3. Strategic Use of Technology: How does the technology impact or increase the learning?
 - A. SAMR Model
 1. Substitution
 2. Augmentation
 3. Modification
 4. Augmentation
4. Depth of Knowledge to increase rigor in student tasks. A balance of DOK levels in student tasks.
 - A. DOK 1: Recall and reproduction
 - B. DOK 2: Basic application of skills and concepts
 - C. DOK 3: Strategic thinking
 - D. DOK 4: Extended thinking

Students with disabilities: Intervention materials for students two or more years below grade level have been adopted for both special education and general education students. Teachers providing interventions (both general education and special education) receive training in the use of these materials. Special education paraprofessionals are also trained in the new materials in order to allow them to support students in their learning. Principals are trained in each of these programs as well.
