

## STEAM Academy @ La Presa

We are proud to now offer our cutting edge STEAM Academy program serving families of La Mesa Spring Valley and other school districts. We engage 4<sup>th</sup>- 8<sup>th</sup> grade students with a focus around Science, Technology, Arts, and Math (STEAM). Working with local universities, colleges, high schools, and community outreach programs, we are building capacity for students to be college and career ready.

How does STEAM Academy @ La Presa set itself apart from other elementary and middle schools in the area?

- Over 90 hours of extended learning time in Science and Math
- Students engage in lab-based projects and participate in extracurricular activities
- Block scheduling for grades 4-8 offer more time for students to master concepts, complete labs, and finish projects
- 30-minute targeted STEAM innovation periods - Media, Dance, Band, Robotics, Biomedical, Tech/Media, Math Olympiad, Engineering, Science Olympiad
- Exposing 4th, 5th, and 6th graders to STEAM pathways via elective classes
- We have an 8:30 start time for all grades. With our 4<sup>th</sup>-6<sup>th</sup> grades in their own area and with separate lunches
