

Early Admission Kindergarten at LMSV

- Early Admission Kindergarten (EAK) will begin in January in La Mesa-Spring Valley Schools.
- Enrollment for EAK begins in October!
- Don't miss out on this exciting opportunity for your child to:
 - Develop social and emotional skills
 - Gain pre-literacy and cognitive skills
 - Enhance friendship skills
- **What is EAK?** Early Admission Kindergarten (EAK) is a free, state-funded, full-day kindergarten program. EAK is for children who will be five years of age by March 15, 2019 and are not currently enrolled in kindergarten or transitional kindergarten. The program is open to all eligible students living in the community. Participation is voluntary and not designed to take the place of kindergarten. Students participating in the EAK program will enroll in kindergarten for August 2019.
- **Where is EAK this year?** We will have locations in La Mesa and Spring Valley elementary school sites (locations will be communicated once we have enrollment numbers in). Your application can indicate if you prefer La Mesa, Spring Valley or don't have a preference.
- **How do we enroll?** Visit our website at www.lmsvschools.org or call our office at 619-668-5700.
- **Enrollment priority information** - Priority will be given to older students residing in our attendance area. For your convenience, registration forms will be available on our website October 2018. Registration appointments may be made. You must make an appointment to complete the registration process at the District Office. Please call 668-5700 x6480 or x6481 to make your appointment or for additional information.
