It is our responsibility to ensure quality and equity of services for students throughout the District and not compromise the quality of our programs or our commitment to excellence.

Should services not be available at the Academy of desired enrollment, services can be provided at another school within our District. The District's Special Education Department will review the IEP to verify availability of services prior to final approval of a student's enrollment at an Academy. Enrollment of all students on an IEP is pending approval by the La Mesa-Spring Valley Schools Special Education Department.

- Submit the completed packet and any other necessary documentation **in person** to:

LA MESA ARTS ACADEMY
4200 Parks Avenue
