

August 21, 2020

Happy Friday Falcon Families,

We hope you are getting excited for the school year to begin. The teachers and I have been working hard to make this the best year ever!

Here's the important information for the week of August 24th-28th:

Device log-in information: Teachers will reach out to families with login information for school devices.

Monday, August 24th- We will be sending out class placements on Monday evening. You will receive an email/all call with this information. You will then be hearing from your child's teacher with information for the first day. This will also come via email. PLEASE be sure we have your correct email on file. This will be critical ALL YEAR!!! Please talk with other parents about notifications you receive in case someone is not getting our emails.

Tuesday, August 25th- We will be having our final device distribution day from 2:00-6:00pm. If you need to pick up your device outside of that time frame, please come to the office. Specific grades will also be handing out supplemental materials. Please make sure you are following the social distancing rules while picking up materials. Your child's teacher will be letting you know if there will be materials for you to pick up. Kindergarten and TK classes will have more to pick up and should pick up from the little league field parking lot next to school.

- The Tk and Kindergarten teams will be distributing materials in the Little League parking lot from 5:00-6:00pm, Please put a paper in your car window with your student's name and their teacher's name.
- The 2nd grade team will be distributing material from 2:00-3:30pm. Please put a paper in your car window with your student's name and their teacher's name.
- The 3rd/4th grade teams will be distributing materials Tuesday the 25th from 3:00-4:00pm to meet students. Please put a paper in your car window with your student's name and their teacher's name.

Wednesday, August 26th- This will be a trouble shooting day. If you need to turn in final immunization paperwork or you missed device distribution please come to the office so we can finalize everything for you. Please make sure you can open apps and the internet on your iPad or Chromebook before noon today so we can get you a new device if yours is not working.

Thursday, August 27th- THE FIRST DAY OF SCHOOL! You will be receiving information from the classroom teacher on how to access the class Zoom and the

Eileen Cotter, Principal

schedule for the week. If you do not have this information by Wednesday at noon, please contact the office. Remember, attendance will be taken.

Friday, August 28th- I will be hosting a "Coffee with the Principal" Friday afternoon at 1:00 pm for parents. It will be a time to discuss what the year will look like and answer any questions you may have. I will be able to answer general school questions, not questions specific to one class or teacher. I will have an agenda of "start of school" topics and this meeting will be limited to no more than 90 minutes. Your child's teacher will address specific class related information at Back to School Night (see below). Bring your cup of coffee and I look forward to seeing you. Here is the Zoom link: <https://zoom.us/j/4164890132>

I will continue to have weekly zooms for the first few weeks of school.

The first day packet will be online or it can be picked up in hard copy form. Please take the time to fill out the paperwork that needs to be returned to school. We will have boxes outside the school office next week for you to return the paperwork. Thank you in advance!
