

2nd Grade Wish List

We are so excited to meet our incoming 2nd graders!

There are a few items we will need next year to help our kiddos get the most out of second grade.

If you are able to donate any of the following items we would greatly appreciate it. *You are welcome to send in one of each for your child's use or additional items to be shared with classmates if you happen to find a great sale!*

Each child is encouraged to have his/her own headphones on the first day of school, in order to utilize our iPad technology. We can provide headphones for students who don't have them, but find students are more comfortable when they are able to choose headphones that are most comfortable for them.

Green 2-pocket folder (with or without prongs)
