Yes! If the program is not a right fit for your child or you are unsatisfied, Soccer Shots offers a full money back guarantee! We do ask that you give us feedback, which will help make us better. Our goal is to provide the best program for you and your family and we take our mission very seriously. Please help us be the best we can be.

How is Soccer Shots different? We are a non-competitive specialized program that builds soccer skills, leadership, life skills, and confidence in children. Our nationally recognized curriculum combined with our high-quality coaches (individuals with education backgrounds) and have played soccer at very high levels, i.e.: collegiate, club, professionally) is a combination that provides the best soccer experience possible.
