

# Community Action Team Application 2020

Hello future CAT student,

Please fill out the following application, attach an updated progress report and teacher recommendation by February 28, 2020. You can attach the teacher recommendation to your application or the teacher can send it to Mrs. Schroeder at LMAAC separately.

Name \_\_\_\_\_

## CAT Grade Expectations:

The students chosen to participate in CAT will have added responsibility as leaders on campus. They will be expected to serve as positive examples in and out of class everyday. Students will need to keep their academic and citizenship grades above the line, which means they will need to earn proficient/C's or better in their classes. That is why we ask that you attach an **updated progress report to this application.**

## CAT Questionnaire:

Please answer the following questions in complete sentences.

CAT members are expected to serve as leaders both on and off campus. It is expected that **all** CAT members will conduct themselves with integrity at all times, as they are often given tasks that take them to other parts of campus unsupervised.

1. Would you consider yourself a responsible person? Explain.

2. Do you like to help people? Please give a few examples of how you help people in your everyday life.

CAT is a community service class. Though I try to match students to jobs they will like, sometimes students will be asked to do things they don't necessarily find fun. Therefore it is essential that CAT members be hard workers.

3. Would you consider yourself a hard worker? Explain.
