

PERFORMANCE KEYS AUDITION FORM

WEDNESDAY, FEBRUARY 5TH AT 3:45 PM IN ROOM 32

THIS AUDITION FORM DUE WEDNESDAY, JANUARY 29TH

CLASS AND AUDITION INFORMATION:

The Performance Keys Class is made up of 7th and 8th grade students with developed skills on the piano/keyboard. The class will focus on higher level theory and technique and incorporate these skills into several live performance opportunities as well as individual and group recordings. All Performance Keys students must maintain “above the line” grades in all subjects.

Current 6th and 7th grade students with piano/keyboard experience are invited to audition for the following year. Students are to check in to room 32 and will be given an audition number. They will need to complete the back of this Application Form and turn it in on January 29th.

PREPARING FOR THE AUDITION:

- Play a 30-second song of your choice with both hands. The song should show off musical skill and control.
- Identify notes in the treble and bass clefs and play them on the piano.
- Be prepared to play major scales or chords.

ADDITIONAL INFORMATION:

The final list for the 2020-21 LMAAC Performance Keys will be communicated through email on the evening of Wednesday, March 25th.

Parents please note that students will need Performance Keys t-shirts at the beginning of the school year for \$15. Please let us know if this is a financial hardship. It is also highly recommended that your child has regular access to a piano or keyboard outside of school. Used portable keyboards can usually be found on local classified ad sites for around \$30-\$40.

For questions, please contact Mrs. Gutierrez at felicia.gutierrez@lmsvsd.net
