Dear LMAAC Families,

Welcome to La Mesa Arts Academy (LMAAC)!

Please take the time to carefully review this Student Handbook to ensure we share a common understanding regarding student expectations. Educational success for all students is only possible through a strong and effective partnership with families. As the most essential part of your child's education, your involvement is critical—and we are committed to building a collaborative relationship to support your child's academic and personal growth.

We believe in frequent and transparent communications to keep the connection between home and school strong. We are confident your child will have a rewarding and memorable experience at LMAAC.

Highlights of this handbook include:

- Behavioral expectations
- Grading policies, including late work and below-the-line procedures
- General school procedures
- Performer expectations

We are proud to be a visual and performing arts school that also prioritizes academic success, strong character, and leadership development.

We are honored that you have chosen LMAAC for your child's education. With a growing waiting list of students eager to be part of our community, we emphasize the importance of regular and punctual attendance. Please also be aware that, in accordance with education code, class placements are made at the discretion of school administration.

LMAAC is home to approximately 1,000 students and over 100 staff members. Despite our size, we are committed to knowing our students and families and ensuring that every interaction reflects the highest level of care and professionalism. If you reach out to a staff member, please allow up to 24 hours for a response (excluding weekends and holidays). To support smooth communication, be sure to keep your contact information current with our office staff.

We also encourage you to engage with our vibrant school community. Whether attending a student performance, participating in PTSA events, joining us for Parent Coffee Hours, or supporting our many other offerings, your presence helps strengthen the LMAAC experience for all.

Please never hesitate to contact us with any questions or concerns—we are here to serve our community and are committed to doing it well.

Very respectfully,
Mrs. Kelley Rabasco
Principal

Parent Information

Parents Are Partners

Our staff understands that students can only reach their full potential when we work together with families. We strongly encourage parents and guardians to stay actively involved by supervising homework, regularly checking Jupiter Grades and email, maintaining open communication with teachers, and ensuring consistent and timely attendance.

We also invite you to support the La Mesa Arts Foundation, join the PTSA, and participate in other parent advisory groups. Your involvement makes a meaningful difference in our school community.

Visitations

Parents are welcome and encouraged to visit classrooms; however, all visits must be pre-arranged directly with the teacher. When arriving on campus, parents must check in at the front office, present a valid photo I.D., and sign in. A school official will escort you to the classroom and remain with you during your visit. Please note that parent-teacher conferences should be scheduled at a mutually convenient time outside of instructional hours to avoid disrupting learning. For the safety and continuity of our learning environment, students from other schools are not permitted to visit classrooms or be on campus during the school day unless prior arrangements have been made with a teacher.

Deliveries

To minimize interruptions during instructional time, we are unable to make classroom deliveries. This includes, but is not limited to: Chromebooks, dance clothing or shoes, PE clothes, homework, lunches, musical instruments, sports equipment, and birthday items of any kind.

With nearly 1,100 students on campus, it is not feasible to manage and deliver items throughout the day. Additionally, students are not permitted to receive food deliveries from services such as Uber Eats, DoorDash, or similar vendors. We appreciate your understanding and support in helping us maintain a focused and disruption-free learning environment.

Parent/Teacher Conferences

Teachers are always happy to speak with parents about their child's progress. Before reaching out, we encourage parents to check Jupiter Grades for up-to-date academic information. If you have questions or concerns, please feel free to call or message the teacher directly to schedule an appointment. If your child is experiencing difficulty in multiple subjects, a group conference with all relevant teachers can be arranged by contacting the school counselor. To ensure teachers are available and prepared, all conferences must be scheduled in advance. We value your partnership and look forward to working together to support your child's success.

Student Insurance

Please note that the school district does not provide insurance coverage for individual students. For this reason, we strongly encourage all families to consider purchasing low-cost student accident insurance for the entire school year. Information about student insurance is provided at the beginning of the school year and can also be found in the first-day electronic packet from the district office. Coverage options include school-time and 24-hour protection. Parents are encouraged to read the information carefully and contact the insurance provider directly for additional details and to complete enrollment.

Health Office

Our Health Office is staffed by a trained health technician, certified in both First Aid and CPR. In most cases, care provided will include basic first aid and a temperature check. If further attention is needed, a parent or guardian will be contacted to determine the next steps. It is essential that parents keep the school informed of any changes to emergency contacts or health information throughout the school year. If a student becomes ill or injured during the school day, they must obtain a pass from a teacher

and report to the Health Office. Students are not permitted to call or text parents directly if they are feeling unwell. Doing so will result in a cell phone violation.

The health technician will contact a parent or emergency contact if it is determined the student needs to go home or requires additional care. Thank you for helping us maintain a safe and supportive environment for all students.

Medications

La Mesa-Spring Valley School District recognizes that some children need to take medication at school. To encourage school attendance, school personnel will assist in carrying out the physician's recommendations. However, we request that the following precautions be observed for the safety of your child and others and to comply with the law.

- All medication must be brought to school by an adult and accompanied by "Authorization for Medication Administration," Form 09562, signed by you and your physician. A new authorization is needed at the beginning of each school year. Students may not carry any medication with them without permission.
- Medication must be brought in its prescription bottle labeled with the student's name, physician's name, amount of medication, and time to be given.
- Over the counter medication must be in its original container labeled with the student's name and accompanied by written physician instructions.
- Any special instructions for storage or likely side effects, i.e., drowsiness, should be noted.
- The student should be instructed to report to the health office to take the medication at the appropriate time. Students may be assisted with medication by the health tech or school office manager.
- Under no circumstances are school personnel to provide aspirin, any other patent medicine, or nostrum to students without written authorization signed by parent and physician. Students observed by school personnel administering unauthorized medications to themselves will be reported to their parent/guardian.
- Students requiring crutches, knee scooters, wheelchairs, or other assistive devices MUST have a doctor's note.

Physical Injuries

If your child is injured (e.g., sprained ankle, broken wrist, etc.), please provide the physician's written instructions to the Health Office. If assistive devices such as crutches, slings, or braces are recommended, we will work closely with your child to ensure appropriate accommodations and maintain safety on campus. Our goal is to support your student's well-being while minimizing disruption to their school experience.

School Emergencies

In the event of an emergency while students are on campus, they will remain at school under the supervision of their teachers and school staff until a parent or designated guardian listed on the student's emergency contact card arrives to pick them up. School personnel will remain on-site to care for and assist students, and we will follow the guidance of the La Mesa Police Department and other emergency agencies. To prevent confusion and ensure accurate communication, student cell phone use during emergencies is prohibited, as it may lead to misinformation or unnecessary worry. Families will be notified through ParentSquare or Jupiter as soon as it is safe and possible to do so. Please rest assured—the safety and well-being of our students is always our highest priority.

School Operations

Student Supervision

Student supervision begins 30 minutes before school starts when staff are on duty. Please ensure students arrive during this supervised time for their safety. Students attending tutoring, ESS, or other special activities must have a pass and may only be on campus during their assigned times. Upon arrival, students should enter the campus through the auditorium entrance or the gate near the Outback. Once on campus, students must remain on school grounds and are not permitted to leave until dismissal.

School office hours are:

7:15 a.m.– 3:00 p.m. Breakfast is served 30 minutes before school begins. If a Tuesday staff meeting requires all office staff to attend, we will notify families of an early closing time.

Closed Campus

All schools in the La Mesa-Spring Valley School District operate as closed campuses. All visitors, volunteers, and guests must check in at the front office, sign in, and obtain a visible I.D. badge to wear while on campus. For safety reasons, no outside students or adults are permitted to enter the campus or use it as a shortcut by walking or biking through. Any unfamiliar person—adult or child—on campus will be approached by staff, and appropriate action will be taken by school administration. Please note that student drop-off and pick-up must occur at the front of the school for the safety and security of all.

Lost and Found

Please label all personal items clearly to help ensure their return. Unclaimed items will be donated to charity at each school break. Please encourage your child to check for lost items regularly.

- Valuable items such as rings, watches, electronics, and similar belongings should be turned in to the office.
- Lost textbooks and devices should be turned in to the library.
- Clothing, backpacks, water bottles, lunch bags, and other everyday items can be found on the Lost and Found rack located in the Quad/Outback area.

Private Vehicles

Students transported to and from school by a private vehicle should be aware of all traffic laws and safety rules applying to them. (i.e., students use crosswalks).

IMPORTANT: During drop-off times, there is no right turn from Jr. High Drive onto Parks Avenue. LMPD will ticket.

- We have 3 neighboring schools all with the same start time: La Mesa Dale, Helix, and LMAAC. Please plan accordingly for busy streets and be patient to ensure safety for all students, staff, and families.
- Please do not park in the disabled parking spaces unless you have a disabled placard.
- Please do not block entry and exit lanes from the school parking areas.
- Please do not park in the curb area directly in front of the school. These are for buses only.
- Please do not park in the apartment complex parking lots or neighbors' driveways.
- Park on surface streets. No drop-off or pick-up behind the school or on the fire road. Parking behind the school is for staff only.

School Services

Library and Internet Usage

Students are responsible for any library books, Chromebooks, and chargers checked out. Students are not allowed to loan these items to another student. Checking out these items is a contract, which means you promise to return the items in good condition on or before the due date. Using the library is a privilege. Student internet usage on Chromebooks is monitored by GoGuardian. Admin and District personnel are alerted when students access non-approved school websites. Parents will be notified. Students could lose their privilege if this becomes problematic.

School Administration

The administration's main job is to help students. Students may request an appointment with the counselors, the principal, assistant principals, or the mental health provider at any time. Students may email via Jupiter to request an appointment. Parents should call for an appointment to set-up a mutually convenient time to meet with school administration.

Attendance

Attendance Policy

Regular attendance during the school year supports academic achievement and prepares students for future success in the adult workplace. All absences are considered truancies without verification. Absences must be verified by a parent phone call the day of the absence or a written note upon return. If your child is out for an appointment, please provide a doctor's note to verify the absence.

State law permits students to be absent for justifiable reasons and allows for completion of missed assignments. Students who are absent without a valid excuse, and their parents/guardians, may be subject to truancy and/or criminal proceedings under Education Code section 48260, et seq.

Excused Absences (EC 48205):

- a. Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:
 - i. Due to the pupil's illness.
 - ii. Due to quarantine under the direction of a county or city health officer.
 - iii. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
 - iv. For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
 - v. For the purpose of jury duty in the manner provided for by law.
 - vi. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child for which the school shall not require a note from a doctor.
 - vii. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, or attendance at an employment conference, when the pupil's absence has been requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
 - viii. For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
 - ix. For the purpose of spending time with a member of the pupil's immediate family who is an active duty member of the uniformed services, as defined in EC § 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or

combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district x. For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.

Excessive absences or tardiness will also affect the student's permanent record. (Ed. Code Sec. 48200 states that all children between the ages of 6 and 16 are subject to compulsory full-time education.) Chronic absences, tardies, and/or leave earlies will be reported to the School Attendance Review Board for action and may prohibit your student from participating in school performances.

Independent Study Agreement

Independent Study Agreements are available for students who are ill or are absent due to travel or family necessity. The Independent Study Agreement will be part of the first day electronic packet from the district. You can use Independent Study days as needed up to a total of 15 days per calendar school year. Please notify the health and attendance office in regards to these absences.

Absences & Performances/Activities

Students who are absent on the day of a school activity may not participate in any after-school activity or performance that day.

Homework During Absences

Students and parents may request homework from teachers via Jupiter or email. Please allow 24 hours.

Tardy Policy

Each period, all students are expected to be in their seats in the classroom, with the necessary instructional materials, prepared to work, exactly on time. This gives all students an opportunity to take full advantage of the learning time provided.

Please note:

1. If a student arrives at school later than the start time, he/she must report to the attendance office for a tardy slip to enter class.
2. During the school day if a student is late to class, it will be addressed as follows:
 - Warning
 - Parent contact
 - Citizenship grade may be lowered.
 - Disciplinary referral. Consequences applied.
3. If any staff members have been responsible for tardiness, the student must obtain a pass from that staff member.
4. A student is tardy if he/she is not in his/her seat and ready to work when the bell rings at the start of each period.
5. P.E. students are expected to be on their numbers located outside the locker rooms on the asphalt at the tardy bell.

Consequences for Tardiness

Tardiness is an undesirable habit that will lead to academic, as well as, disciplinary problems (see above). Once a student has 5 tardies, they will have a one-day lunch detention. Further tardiness may result in a referral to the School Attendance Review Team (SART). Under the provisions of the California State Education Code:

"Any child absent or tardy in excess of 30 minutes without a valid excuse on three or more days may be reported truant. If reported truant and again absent one or more days, the child may be reported truant a second time. He/She is deemed a habitual truant if reported three or more times."

Truancies

Under provisions of the California State Education Code:

"Any pupil subject to compulsory full-time education or to compulsory continuation education who is absent from school without valid excuse more than three days or tardy in excess of 30 minutes on each of more than three days in one school year is a truant..."

1. The habitual truant may be referred to the District School Attendance Review Team for a hearing, which may result in referral to the juvenile court system.

Leaving During School Hours

1. Present a signed, written request from a parent or guardian to the office before school to get a pass to leave class at the specified pickup time or contact the office to request that their student be waiting in the office at the pickup time. Please allow an additional 10 minutes as it may take time for your child to arrive at the office.
2. A parent or guardian must come into the front office to sign the release for a student. If the parent or the guardian is sending someone else to pick up the student, we must have this notification in writing. The person picking up the student from school grounds must be listed as an emergency contact and must present a photo I.D. (see Student Release Guidelines).
3. Once a student arrives on campus, they must remain on campus unless picked up by a parent or guardian.
4. Performing students must be in attendance for the full school day the day of performances unless prior approval is given by the performing arts teacher for special circumstances.

Change of Address

It is important you keep the school office informed of any telephone, address, or email changes to ensure contact during emergencies and delivery of important notices from the school.

Change of School

If you are changing schools, please notify the office as early as possible. All Chromebooks, chargers, textbooks, and library books must be returned to the library. Parents will be sent a bill if any materials are not returned.

Academic Success

Grades

Report cards are sent home with students at the end of each grading trimester. Progress is communicated via Jupiter Grades on a regular basis. Letter grades of A, B, C, D, or F are given.

Excerpts from District Grading Regulations

At the beginning of each school year, a written description of the grading procedures used in each class shall be given to each parent/guardian. The criteria for determining quality work shall also be discussed with students at the beginning of each year by each of their classroom teachers.

Assessment of pupil progress shall be based upon impartial, consistent observation of the quality of a pupil's work, and demonstration of mastery of course content and objectives. Reports of pupil progress and/or grades may be based upon, but are not limited to, class work, homework, projects, quizzes, and tests.

LMAAC Testing and Grading Policies

Late Work

- Late work will only be accepted up to one week or until a unit assessment for any given subject per individual teacher discretion. Students can earn up to a 70 percent which is equivalent to a C. Once a concept or unit is tested, no more work will be accepted for that unit. The exception for this would be students who are on an independent study contract or illness verified by doctor's note.

- Students will not receive full credit for late work unless verified as an "excused absence."

Tests

- Students may do a test retake or test corrections per classroom teacher's discretion to earn a higher grade. It is the responsibility of the student to arrange a time for this to take place. Refer to specific teachers for more information.
- Performances ARE the tests for performing classes. Please plan your calendar to ensure their attendance to all required performances.
- Teachers may also offer test correction opportunities to earn partial credit.

Reminder: All students are responsible for collecting and completing any make-up work missed due to absences: rehearsals, performances, illness, etc.

Above the Line

At LMAAC, our expectation is that students will strive to live "above the line." This means that academic grades are maintained at "C" or higher and citizenship grades are "S" or above (i.e., no "D's" or "F's", and no "N's" or "U's").

Criteria for Academic Achievement Grades

- A pupil who earns an "A" grade has exceeded expectations on the majority of the required grade level standards.
- A pupil who earns a "B" grade has exceeded expectations on many of the required grade level standards.
- A pupil who earns a "C" grade has met the expectations on the grade level standards.
- A pupil who earns a "D" grade has nearly met the expectations on the grade level standards.
- A pupil who earns an "F" grade has not met the expectations on the grade level standards.

Criteria for Citizenship Grades

- A pupil who earns an "O" has exceeded citizenship expectations the majority of the time.
- A pupil who earns a "G" has exceeded citizenship expectations most of the time.
- A pupil who earns an "S" has met the citizenship expectations.
- A pupil who earns an "N" has not met the citizenship expectations the majority of the time.
- A pupil who earns a "U" has not met the citizenship expectations.

See Appendix A

Academic Honesty—Policies Regarding Cheating

Academic honesty means doing your own work. Academic dishonesty, plagiarism, or cheating is using someone else's work and submitting it as your own. Some examples of academic dishonesty are copying another student's answers on homework, class work, or a test; using notes or "cheat sheets" during an examination (unless permitted by the teacher); accessing other sites on chromebook while taking an assessment; using AI to write and submit an assignment; taking an essay or report from a magazine or website and passing it off as your own; or lifting well-phrased sentences from various sources without crediting the author and using quotation marks.

Students are regularly encouraged to work and consult with others in groups. Each student is expected to participate and contribute. Teachers will be very clear about whether assignments are to be completed by individuals or groups.

Occurrences of academic dishonesty/plagiarism may result in lowered academic and/or citizenship grades. Administrative action may be taken in severe cases.

Weight of Assignments

No single course assignment or course project, including a test, shall be weighted at more than 25 percent of the final trimester grade per Ed Code.

Effect of Absence on Grades

It is the pupil's responsibility to complete missed work within a reasonable time period as determined by the teacher. Sufficient time shall be allowed to avoid placing an unreasonable burden upon a convalescing pupil. Each teacher's policy regarding make-up work shall be provided in writing to pupils and parents/guardians at the start of the school year.

Policies You Should Know

Nondiscrimination—Board Policy 0410

The Governing Board is committed to providing equal opportunity for all individuals in district programs and activities. District programs, activities, and practices shall be free from unlawful discrimination, including discrimination against an individual or group based on race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information; a perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

All individuals shall be treated equitably in the receipt of district and school services. Personally identifiable information collected in the implementation of any district program, including, but not limited to, student and family information for the free and reduced-price lunch program, transportation, or any other educational program, shall be used only for the purposes of the program, except when the Superintendent or designee authorizes its use for another purpose in accordance with law. Resources and data collected by the district shall not be used, directly or by others, to compile a list, registry, or database of individuals based on race, gender, sexual orientation, religion, ethnicity, national origin, or immigration status or any other category identified above.

Pupil Sexual Harassment—EC 231.5, 48900

It is the policy of the La Mesa-Spring Valley School District Board of Education that all persons regardless of their sex be afforded equal rights and opportunities and enjoy freedom from discrimination of any kind in educational programs and settings. Furthermore, the Governing Board considers sexual harassment to be an offense which can result in suspension or expulsion of the offending pupil.

Types of conduct which are prohibited in the District and which may constitute sexual harassment include, but are not limited to:

- a) unwelcome sexual flirtations or propositions.
- b) sexual slurs, leering, epithets, threats, verbal abuse, derogatory comments, or sexually degrading descriptions.
- c) graphic verbal comments about an individual's body or overly personal conversation.
- d) sexual jokes, notes, stories, drawings, pictures, or gestures.
- e) spreading sexual rumors.
- f) teasing or sexual remarks about a pupil enrolled in a predominantly single-sex class.
- g) displaying sexually suggestive objects.

Education Code 48900.2 specifies a pupil may be suspended from school or recommended for expulsion if the superintendent or principal of the school in which the pupil is enrolled determines the pupil has committed sexual harassment as described in Education Code 212.5. The conduct must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment. This policy shall not apply to pupils enrolled in kindergarten and grades 1 to 3, inclusive.

Any pupil who feels he or she has been the victim of sexual harassment shall immediately report the incident to the principal of the school or other staff member.

Tobacco-Free Policy—La Mesa-Spring Valley School District Policy #1331

Research has demonstrated the health hazards associated with the use of tobacco products, including smoking and the breathing of secondhand smoke. In order to create a clean, healthy environment for students and employees, the use of tobacco products is prohibited on District property or in District vehicles. This includes e-cigarettes. This policy applies to all employees, students, or individuals at any school or school-sponsored activity conducted on any property owned, leased, or rented by or from the District. Superintendent or designee shall notify students, parents/guardians, employees, and organizations using District facilities regarding this policy.

Community members using tobacco products on District property shall be informed of the District's policy and asked to refrain from tobacco use. If the individual fails to comply with this request, the organization's Use of Facilities permit may be revoked, and the individual asked to leave the premises.

The District shall maintain a list of clinics and community resources that may assist those who wish to stop using tobacco products. Information about these programs shall be made available upon request.

Please read the agreement with your students before each of you signs. Chromebooks and chargers should be brought to school each day. Chromebooks should be charged the night before.

Physical Education

The State Board of Education requires that every student take physical education, unless excused by a licensed physician. Students of all grades must change into PE uniforms daily. If for some reason, a student needs to be excused from PE (not to exceed three consecutive days), a note must be brought from home. This includes students wearing a brace or needing crutches. A written request by a physician is necessary for an excuse lasting longer than three days.

PE lockers are a temporary depository for your PE clothes and personal items during your PE class. The school cannot be responsible for any lost, stolen, or damaged items left in the lockers. Be sure to lock all valuables in your basket; this is not optional.

Sprays of any kind are never allowed at school. If sprayed or seen in the locker room, it will be taken, and students will need to sit on a designated bench in the locker room as a consequence so staff can keep an eye on them. A parent will need to come and pick up the spray; it will not be given back to the student even on the first offense.

PE, Physical Activity Electives/Dance/Theater/Sound System/Choir Participation During Injury

Physical Education (PE) and our Physical Activity Electives are both physically rigorous courses that require students to engage in movement, endurance, coordination, and fitness activities. Students who are medically unable to participate in PE due to an injury or physical limitation are also not able to participate in our physical activity electives, as many movements place similar demands on the feet, ankles, legs, and body.

If a student has a medical condition or injury that restricts participation in physical activity, documentation from a prescribing physician is required. In addition, any prolonged injury or illness requires the district's PE Excusal Due to Illness or Injury form to be completed in order for the student's grade not to be adversely affected. School health tech and administration will review all restrictions on a case-by-case basis to determine appropriate accommodations or course placement.

Bicycles, Scooters, Skateboards, E-Bikes, E-Scooters

Students who violate proper bicycle traffic or safety rules coming to or going from school will have their bicycle privileges suspended. The school does not assume responsibility for the safety or security of bicycles.

1. By law, helmets must be worn.
2. All bicycles, scooters, skateboards, e-bikes, and e-scooters are to be parked in the enclosed bike area and must be locked.
3. Locks are not to be shared.
5. Bicycles, scooters, skateboards, e-bikes, and e-scooters may not be ridden on the school grounds. Students must walk their bicycles to and from the street before mounting the bike.

Student Activities

Leadership Classes

Students in grades 7/8 are encouraged to participate in various leadership classes (i.e., Yearbook, Media, ASB, CAT, etc.). These leadership students meet regularly with staff to plan activities that positively impact our school's culture and climate, as well as, our community at large. Students who participate in these leadership classes/groups are expected to "live above the line" and be appropriate role models.

Performer Expectations

Student performers must meet the following criteria to participate in performances, rehearsals, or other leadership class activities:

- Have passing grades in all classes: "C" or better is considered "above the line"
- Demonstrate responsible citizenship: "O", "G", or "S"
- Have no suspensions, including in-school suspensions, during the current grading period
- Have regular and punctual attendance
- Be in attendance for the full day of performances
- NOT be on the LOP list
- Must be caught up on schoolwork before missing class for rehearsals, performances, or other leadership activities
- Complete all classwork, homework, and assessments from classes they missed due to rehearsals, performances, and other leadership activities

*Students and parents will be required to sign an agreement regarding the above expectations.
See Appendix C*

Student Conduct/Behavior

La Mesa-Spring Valley School District follows a policy of Proactive Discipline.

Keeping our school neat, clean, and a safe place to learn is a responsibility shared by students, parents, and staff. Please take that responsibility seriously and place trash in trash cans. Report vandalism right away. Students and parents will be held liable for any graffiti or other forms of vandalism.

The basic premise of our discipline plan is that students will be informed of classroom and school rules. If they choose to break rules, they will know what the consequences will be. They will also be aware of the positive consequences of exhibiting good behavior at school.

Teachers will notify students of their specific expectations. Generally, a teacher's plan begins with a warning. Further infractions will result in a phone call to a parent, and finally, a disciplinary referral to the office.

Behavior Toward Guest Teachers

Guest teachers are provided to continue the academic program of students during the absence of their regular teacher. They have the same authority as the regular teachers. Guest teachers will be treated with the same respect afforded to the regular teachers.

Lunchtime Behavior

The following rules apply during lunch:

1. Follow the directions of adult supervisors.
2. Wait your turn in the lunch line (No cuts or saving places).
3. Eat quietly and use good manners (No throwing food, papers, or objects).
4. Clean up after yourself, and place trash in the proper receptacles. Recycle when possible.
5. Remain seated in the designated area until you are dismissed.
6. Assigned seating may be implemented as needed.
7. Lunch detention may be a consequence should students choose not to follow the above rules.

Assembly and Spirit Day Behavior

Assemblies and spirit days are a privilege, and students who wish to maintain this privilege must behave in an orderly manner. Students will be under the direction of a classroom teacher, counselor, or administrator at an assembly. The students must follow the directions of those in authority. Appropriate assembly manners are expected at all times. Not adhering to these rules will result in appropriate consequences.

Social Behavior and Conduct

Any public display of affection (PDA) is inappropriate on school grounds or at school-sponsored activities. Students are expected to conduct themselves in a safe and orderly manner. Pushing, shoving, horseplay, chasing, throwing objects, etc., are considered unsafe behaviors. Not adhering to these rules will result in appropriate consequences.

Social Media

Social media has become an increasingly popular way to share activities and experiences. We expect that students fully understand the responsibility they have to their school, their peers, their families, and themselves in the character they display in their words and actions. Leave a positive legacy online!

Night Performance Behavior

Students who are not part of a night performance but wish to attend must have a ticket and be accompanied by and remain with their parent or guardian.

Student Conduct/Consequences

Referral to Office

A system of positive reinforcement along with a progressive discipline program is the foundation upon which an orderly, productive, safe school environment is developed and maintained.

If students choose to not follow the rules, the following actions are taken:

1. Warning given by the classroom teacher or staff witnessing the behavior
2. Parent contacted by staff if first offense or administration as the next step
3. Lunch detention and/or Loss of Privilege such as attending a school assembly, spirit day, etc.
4. Referral to the counselor if appropriate
5. Referral to administration
6. An opportunity to restore the relationship
7. Opportunity to attend the school site's supported diversion program if appropriate
8. In-school or out of school suspension

Following a referral to the office:

- administration talks with the student and the teacher so that the student understands their responsibility.
- teachers are consulted and/or notified regarding referral.
- parents are contacted and/or a conference may be arranged.

Repeated infractions will result in appropriate consequences or actions. Serious problems or violation of rules may result in suspension or expulsion, even at the time of the referral.

Lunch Detention

Teacher/administration detentions are issued for behaviors such as talking back, swearing, or being disruptive. If the student does not show up for lunch detention, it is usually doubled, and parents are contacted.

Loss of Privilege List (LOP)

Students on the Loss of Privilege list will not be able to participate in any extracurricular activities or privileges on campus (i.e., ASB spirit activities, assemblies, study trips) and will not be issued corridor passes.

Names are placed on the LOP list for any of the following:

1. Receiving two or more "U's" on a report card or progress report
2. Any infraction of rules resulting in suspension or a full day of in-school suspension
3. Truancy
4. Other infractions of school rules deemed by the Principal and Assistant Principal to interrupt school activities (i.e., excessive tardies, poor hallway behavior, restroom misuse, or cafeteria conduct)

Students on the LOP list for citizenship (two or more "U's") must improve their citizenship grades. In order to have their name removed from the list, they must petition their teachers for updated citizenship grades.

Exclusion/In-School Suspension (ISS)

In-school suspension is utilized when students have been involved in an infraction that necessitates a time out from class. Regardless of the severity of the infraction, adults and students engage in restorative practices that engage the involved parties in reflections on the event and how to restore the relationship.

Board Policy Manual La Mesa-Spring Valley School District

Policy 5132: Dress And Grooming

Status: ADOPTED

Original Adopted Date: 11/05/2008 | **Last Revised Date:** 06/20/2023 | **Last Reviewed Date:** 06/20/2023

The Governing Board values the identity of all students and believes that appropriate student clothing contributes to a positive and healthy learning environment. Students are expected to dress in a way that is appropriate for the school day and for school sponsored events. Student clothing should be suitable for school activities while being inclusive of a diverse range of identities.

The primary responsibility for a student's clothing resides with the student and their parent(s) or guardian(s). The school is responsible for ensuring that student clothing does not interfere with the health or safety of students or staff and that it does not contribute to a hostile or intimidating environment. The school must also ensure that dress code enforcement does not reinforce or increase marginalization or discrimination against any student because of their race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, household income, body type, or weight.

Students shall not be prohibited from dressing in a manner consistent with their gender identity or gender expression, or with their religious or cultural observance.

Dress code policies shall not discriminate against students based on hair texture and protective hairstyles, including, but not limited to, braids, locks, and twists. (Education Code 212.1)

District and school rules pertaining to student attire shall be included in student handbooks, may be posted in school offices and classrooms, and may be periodically reviewed with students and staff as necessary.

To ensure effective and equitable enforcement, school staff shall implement the dress code policy consistently in accordance with the requirements below:

- Students shall not be required to kneel, bend over, or raise their arms to check clothing fit
- The width of straps, the length of shorts, or other worn articles of clothing shall not be measured
- Students shall not be called out for suspected dress code violations in front of other students
- Students shall not be accused of "distracting" others with their body, clothing, or appearance
- Student dress code enforcement shall not result in unnecessary barriers to school attendance
- The school shall not have discretion to vary the requirements of the dress code in ways that lead to discrimination of any student because of their race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, household income, body type, or weight.

Students found to be in violation of the dress code policy will be required to do one of the following:

1. Put on their own alternative clothing, if available at school
2. Wear temporary school clothing
3. Ask a parent/guardian to bring alternative clothing for the student

Repeated violations or refusal to comply with the dress code may result in appropriate disciplinary action.

Gang Related Apparel

When there is evidence of a gang presence that threatens to disrupt the school, the principal or designee may consult with the local law enforcement agency to establish a reasonable addendum to the dress code to prohibit gang-related apparel. Upon determining that it is necessary to protect the health and safety of the school environment, the proposed addendum shall be approved by the superintendent or designee prior to enforcement. (Education Code 35183)

Uniforms

In accordance with Education Code 35183, schools may initiate a uniform dress code policy, if it is determined that such a dress code will promote student achievement, a positive school climate, and/or student safety.

The superintendent or designee shall establish procedures whereby parents/guardians may choose to have their children exempted from the school uniform policy. Students shall not be penalized academically, otherwise discriminated against, or denied attendance to school if their parents/guardians so decide.

The superintendent or designee shall ensure that resources are made available to assist economically disadvantaged students in obtaining uniforms as needed.
