### ELPAC and Healthy Kids Survey

Parents, we need your support. We have two things coming up that we need your help with. Our required language test (ELPAC) is coming up. Due to all of the requirements of testing, in person testing is really the best option. Karla and Cruz will be reaching out to parents of our English Learners to arrange an in person testing time. If this is a struggle, please let us know how we can support you when they call. Parents of 5th grade families, we need to have our annual, optional healthy kid survey. In order for your child to participate, we need you to complete a permission slip. Please check your email, as an informational page with the link to the permission slip was sent to you.
