Important Emails Coming Out

I know there is so much going on at this time that sometimes it feels like we don't have time to breathe. If you are someone though who doesn't check your email too often, you may want to take a look. In the next few weeks, you will be receiving important emails regarding reopening, transportation, and child care. When these are sent out, I include a text message telling you to check your email. Please make sure you are checking that and keeping us up to date on emails and phone numbers. I do not want you to miss out on the important announcements.
