

Dear Parents,

We are looking forward to having your child in Kindergarten. This is an exciting time in your child's life. Many of you ask if there is anything you can do to help us. The following is a list of supplies that your student will be using in kindergarten. If possible, we ask that you do the best you can to provide your child and your child's classroom with these materials. The underlined items are ones that need a name on them as they are child specific.
