Amazon Smiles

Help support Maryland Avenue, and sign up for Amazon Smile - Shopping on AmazonSmile - using this link can earn the school 0.5 % of each eligible purchase. No extra spending or steps needed, just use this link instead of the regular Amazon website. <http://smile.amazon.com/ch/95-6208313>

What does my unique link do?

When customers click on your organization's unique link, they skip the process to search for a charity to support among over 1 million eligible charities. Instead, they're taken to smile.amazon.com and are automatically asked if they want to support Maryland Avenue Elementary PTA.

Do my supporters have to click on my charity's AmazonSmile link every time they shop?

No. Once customers select your organization, you will receive 0.5% of the price of all their eligible smile.amazon.com purchases, regardless of whether they use your unique AmazonSmile link to return to the site. However, we recommend that you ask your supporters to bookmark and use your link so they don't accidentally shop at www.amazon.com instead of smile.amazon.com. Only purchases made at smile.amazon.com are eligible for donations.

What do customers that have already selected a charity see when they click on my organization's unique link?

If someone is already supporting your organization and they click on your unique link, they will simply be taken to smile.amazon.com so they can start shopping. They do not have to re-select your charity. If someone supporting a different charity clicks on your charity link, they are asked if they'd like to switch to support your organization.

Ralphs

The Kroger Family of Companies is committed to community engagement, positive social impact and charitable giving at the national and local levels. Every community is unique, but our common goal is to partner with the neighborhoods we serve and help the people there live healthier lives.

One of the ways in which we do this is through our Ralph's Community Contribution Program. This program makes fundraising easy by donating to local organizations based on the shopping you do every day. Once you link your Card to an organization, all you have to do is shop at Ralphs and swipe your Shopper's Card. Here's how it works:

1. Create a digital account.

A digital account is needed to participate in Ralph's Community Contribution Program. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply toward the organization you choose.

2. Link your Card to an organization.

Selecting the organization that you wish to support is as simple as updating the Ralph's Community Contribution Program selection on your digital account.

1. Sign in to your digital account.
2. Search for your organization [here](#).
3. Enter the name or NPO number of the organization you wish to support.
4. Select the appropriate organization from the list and click "Save".

Your selected organization will also display in the Ralph's Community Contribution Program section of your account. If you need to review or revisit your organization, you can always do so under your Account details.

3. Your organization earns.

Any transactions moving forward using the Shopper's Card number associated with your digital account will be applied to the program, at no added cost to you. Ralphs donates annually to participating organizations based on your percentage of spending as it relates to the total spending associated with all participating Ralph's Community Contribution Program organizations.
