

Welcome to TK!

Dear Families,

We are so excited to welcome you to Maryland Avenue's TK family. We are looking forward to working with you this year! Some of you have asked about school supplies. We have most of what your child will need. If you are interested in donating items for our classrooms, here is a list of some items we go through quickly.

- Glue sticks
- Crayola crayons (16 or 24 count)
- 1 ream of white copy paper
- Dry erase markers (EXPO works and erases the best)
- Baby wipes
- Ziplock bags
- Pencil Box (plastic, standard size)

If you are unable to donate any of the items, your child will get what he or she needs. If you are able to donate any items, thank you very much! Thank you in advance for all of your support!

Thanks again,

Wendi Sanders Prine and Katie Rust
