

Murdock Elementary After-School Beading Class

Bead patterning helps with cognitive development, especially math concepts. Beading inspires creativity, cooperation, builds social skills, develops concentration and manual dexterity, as well as having a calming effect.

Each student will be taught beading techniques to start and finish projects. Students will also learn how to use beading tools such as needle-nose and round-nose pliers, wire cutters and crimping tools.

Projects include: 'Friendship' Jewelry (bracelet or necklace) and Fimo clay beadmaking.

Adult Parent or Guardian may enroll if the child is also enrolled. Class size limited.

Tuesdays 8/27, 9/3, 9/10, 9/17, 9/24, 10/1, 10/22, 10/29 * Time 1:05-2:05pm * Grades TK, EAK, K-6

Cost: \$125 per 8 week class
(includes \$5 donation to Murdock and supplies fee)

Make checks payable to: Cultural Adventures
Mail check and registration form to: Cultural Adventures
