

REMINDER ABOUT OUR BIRTHDAY TREATS POLICY:

Dear Northmont Families,

August 2021

In an effort to be more in line with our District Wellness policy and to support the important education we provide our students in health and fitness, WE DO NOT ACCEPT EDIBLE TREATS such as cupcakes, cookies, etc., to celebrate birthdays.

Please save the sweet goodies for the birthday party at home. Instead, consider providing an alternative treat, such as: a special pencil, eraser, or other small trinket for all students in the class, or donate a book to the class library in your child's name, etc. Your child's teacher may have other ideas as well.

WE WILL NO LONGER ACCEPT ANY EDIBLE BIRTHDAY TREATS, EITHER DELIVERED TO THE OFFICE OR DELIVERED TO THE CLASSROOM.

Thanks you very much for being supportive of this policy, which will be a healthier option for all of our students.

Mrs. Hollis
Principal
Northmont Campus
