

## ASSOCIATED STUDENT BODY (ASB) (DESIGN)

The Associated Student Body at SVA exists to promote a positive school climate through activities that bring all students together. ASB is a 7th/8th grade year-long elective class that students apply and are selected for. ASB members influence school policies and activities by planning, budgeting, and implementing schoolwide celebrations, dances, spirit days, fundraisers, lunchtime activities, and assemblies. ASB student leaders are also responsible for overseeing school club purchase requests and deposits.
