

For just \$10 You can be a member of the STEAM PTSA and help support our school!

What does PTSA do?

We are the Parent, Teacher, & Student Association. We are volunteers who support the school, the teachers, and the students in many ways. We volunteer to help with projects like stuffing these packets or staffing the book fair. We arrange support such as snacks at test time. And we help pay for things not in the traditional school budget. With more volunteers, we can do even more!

Do I have to come to meetings?

*No. We will never make you come to any meetings. But, if you'd like to join our parent team, we'd love to have you at our meetings, or signing up for volunteer opportunities! Even if you don't have time for meetings, **JOIN TODAY!** We'll send you information on what is going on. Just come when you can.*

I've never been on the PTSA, will I fit in?

YES! If you care about our students – YES, you will fit in! If you love STEAM – YES, you will fit in! If you want to stay informed about what is going on at the school – YES, you will fit in! We would love to have you join us!

STEP 1: JOIN TODAY!

Fill out the attached envelope and return with your membership payment inside

OR Join Online:
