

Dear Community Member,

We're excited to announce that STEAM Academy will once again be hosting SMATH Night (Science, Math, Art, Technology and Health), and we'd like to invite you and your organization to participate!

SMATH night is a community event completely focused on Science, Math, Art, Technology and Health, held here at STEAM Academy in Spring Valley. We want our students, as well as the wider community, to see how science and math are an integral part of our everyday lives, as well as expose them to some hands-on science and math!

SMATH Night will be Wednesday, March 6th, 2024 from 5:00pm-6:30pm.

We'd like to offer you a space at SMATH night. Please fill out this form: <https://forms.gle/pXzKunxKYybTqJ9e9> by February 16 (though sooner is appreciated) to reserve your space. There is no cost for you to participate in SMATH night, and there will be no cost for those who attend the event. We anticipate

If you have any questions, you can reach out to the STEAM PTSA at thesteampsa@gmail.com or Wendy at 619-347-8045.

We look forward to having you join us!

Wendy Loeffler
STEAM Academy @ La Presa PTSA President
