

Independent Study Agreements

Independent Student Agreements are an optional education alternative, if you know your child will be out of school for a **minimum of five days**. This agreement allows your child to keep pace with classroom instruction while away from school. Each school maintains Independent Study Agreements (ISA). Each agreement outlines how the work completed during the agreement will be evaluated. Failure to comply with the agreements results in unexcused absences which could result in referral to the School Attendance Review Team (SART) or the School Attendance Review Board (SARB).
