### Early Admission to Kindergarten

EAK (Early Admission to Kindergarten) is a free, state-funded, full-day kindergarten program. EAK is for children who will be five years of age by March 15, 2019 and are not currently enrolled in kindergarten or transitional kindergarten. The program is open to all eligible students living in the community. Participation is voluntary and not designed to take the place of kindergarten. Students participating in the EAK program will enroll in kindergarten for August 2019. **If your child continues in kindergarten in the La Mesa-Spring Valley School District, in the fall of 2019 you will be asked to sign a form acknowledging that your child will be continuing in kindergarten beyond the one-year anniversary date.** \_\_\_\_\_ (Parent/Guardian initials)
