

# Beginning in Fall of 2019

**Trust**  
BLENDED  
LEARNING

Just like you and your child, we're unique. Trust Blended Learning is here to meet your needs and those of your child. Whether it's your schedule, learning style, academic goals, personal beliefs or any other issue that makes traditional school a challenge.

At Trust, we build the educational program around your life. Together, we provide a relevant and balanced education. We tap into a blend of online and traditional methods in a variety of settings to provide individual hands-on learning as well as team-based learning. Our innovative approach gives your family the flexibility you need to ensure your child's success.

- 2.5 days face to face learning with Project-Based Learning
- 2.5 days online independent study using an adaptive and state-of-the-art computer program tailored to provide acceleration or support
- Innovative, dynamic and engaging
- Meets each child's unique needs
- Opportunities for acceleration, challenge and complexity for gifted learners
- Targeted support for struggling students
- Choice, collaboration and community involvement
