About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Description

La Mesa Middle School was built in 1951 with an initial capacity of 1,050. It has continually been modernized as the need came about and the funds were available. The school is modernized and it has all of the environmental updates needed to meet the needs of students and staff. The school opened its doors August 2014 as a school-within-a-school known as La Mesa Arts Academy (LMAAC) and then transitioned to a full school performing arts academy for all students in grades 4-8 beginning in the 15-16 school year. LMAAC is open to students in grades 4-8 who are interested in learning the foundations of art, performing arts, and having arts infused into their academic classes. LMAAC is home to approximately 1,080 students. It is governed by an administrative team which consists of one principal, one assistant principal, one dean of students, and one counselor. Additionally, students receive instruction from specialists in their field including, but not limited to, math, science, language arts, history, PE and arts classes.

Mission Statement: It is the goal of the LMAAC staff to create opportunities that will support the development of good character, as well as leadership skills of integrity and confidence in our students while, at the same time, presenting an academic program and arts program that prepares our students for success in future college and career choices.

Vision Statement: If LMAAC is to be a community of learners striving for mastery of the state's academic and arts standards, then we must commit to providing clear learning objectives to the school community, as well as a safe environment where learning can take place, and a process of assessment that affords access for students who do not show mastery and enrichment for the ones who do.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

| Subject | School 17-18 | School 18-19 | District 17-18 | District 18-19 | State 17-18 | State 18-19 |
|---------|--------------|--------------|----------------|----------------|-------------|-------------|
| ELA | 71 | 73 | 53 | 50 | 50 | 48 |
| Math | 50 | 55 | 40 | 38 | 38 | 37 |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

| Grade Level | 4 of 6 | 5 of 6 | 6 of 6 |
|-------------|--------|--------|--------|
| 5 | | | |

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

La Mesa Arts Academy (LMAAC) has an active School Site Council (SSC). The SSC is an elected group of parents, students and school staff who meet multiple times a year to oversee the implementation of the School Plan for Student Achievement. If you are interested in learning more about School Site Council involvement, please contact the school principal, Beth Thomas at beth.thomas@lmsvschools.org.

Our LMAAC PTSA provides invaluable school support in the forms of time, talent, and treasure. However, the mission of our PTSA is truly to encourage and promote family involvement. They do this by sponsoring multiple family-centered events throughout the school year such as Movie Night, Family Dances, Fall Festival, and Family Game Night-to name just a few. If you are interested in learning more about LMAAC PTSA, please contact Toni Arzillo at toni.arzillo@gmail.com.

We also invite our parents of our English learners to become involved in our English Language Advisory Council (ELAC). This important parent advisory group meets several times a year to learn about our instruction that supports our English learners. Our ELAC families also provide us with valuable feedback about how we can best support both our English learner students and families. If you are interested in learning more about our LMAAC ELAC program, please contact the school principal, Beth Thomas at beth.thomas@lmsvschools.org.

The La Mesa Arts Foundation is the non-profit that was established to financially support our La Mesa Arts Academy arts program. The board of the foundation meets once a month. Duties of the board members include the organization of a yearly fundraiser that supports targeted projects including, but not limited to, costuming, instruments, sound systems, lighting, and buses to events. If you are interested in learning more about La Mesa Arts Foundation, please contact the school principal, Beth Thomas at beth.thomas@lmsvschools.org.

Overall, we encourage our LMAAC Families to simply join us at our many family events whether PTSA-sponsored, art gallery openings, concerts, Back to School Night, parent conferences or other events. We love coming together as a community and attempt to give LMAAC a small school atmosphere where every stakeholder feels valued and welcomed.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Current site Comprehensive School Safety Plans (CSSP) are received by the district each year and are approved by the La Mesa-Spring Valley School Board of Education. Each site's plan outlines systems, programs, and practices in place to ensure a safe school environment including, but not limited to, child abuse reporting, disaster preparedness, campus access, and drug and alcohol education and cessation. Each site has one teacher appointed as the school's Health and Safety Officer. This person and the site principal presented their School Safety Plans to their respective School Site Council for review and acceptance prior to submission to the Board of Education.

| Suspensions and Expulsions for the School | 2016-17 | 2017-18 | 2018-19 |
|---|---------|---------|---------|
| Suspensions Rate | 2.6 | 2.4 | 3.8 |
| Expulsions Rate | 0.0 | 0.0 | 0.0 |

| Suspensions and Expulsions for the District | 2016-17 | 2017-18 | 2018-19 |
|---|---------|---------|---------|
| Suspensions Rate | 4.3 | 4.0 | 4.6 |
| Expulsions Rate | 0.0 | 0.0 | 0.0 |

| Expulsions Rate | 0.1 | 0.1 | 0.1 |

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Academic Counselors to Pupils (School Year 2018-19)

| Title | Ratio |
|---------------------|--------|
| Academic Counselor* | 1085.0 |

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2018-19)

| Title | Number of Full-Time Equivalent (FTE) |
|---|--------------------------------------|
| Counselor (Social/Behavioral or Career Development) | 1.0 |
| Library Media Teacher (Librarian) | |
| Library Media Services Staff (Paraprofessional) | |
| Psychologist | .7 |
| Social Worker | |
| Nurse | |
| Speech/Language/Hearing Specialist | .6 |
| Resource Specialist (non-teaching) | .3 |
| Other | 1.0 |

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Professional learning in La Mesa-Spring Valley continues evolving to cultivate capacity and efficacy of teachers so that they can ensure high levels of learning for each and every student. In recent years professional learning has emphasized developing a common language around high quality teaching and learning and building collaborative cultures that promote high levels of learning for all students through professional learning communities. This work has included a deeper dive into content standards through the selection of essential standards and discussions around mastery and effective assessment. In response to student performance data and classroom observation, current professional learning focuses on aligning instruction to standards and student experience, with extra time and resources dedicated to mathematics and English learners.

New for the 2019-20 school year is our Blended Professional Development program which will offer online professional development options while still offering face-to-face professional development. Some of the professional learning that we will offer includes: Igniting ELD multi-year seminars where teachers learn and implement strategies for designated and integrated ELD and using formative assessment to guide standards-based instruction, Mindful Math where participants will develop deeper understandings of math teaching and how to enrich it while making the District math curriculum more accessible to their students, and ProAct, which teaches participants techniques they can use to deescalate a child's behavior. Additional professional development continues to address professional learning communities, curriculum adoptions, differentiation, special education, NGSS and effective integration of technology into instruction.

With professional learning communities as a foundation, professional development is approached from multiple angles to ensure that it is relevant, timely, and targeted to both student and teacher needs. Teachers meet weekly, as a grade level or discipline, to analyze student data and discuss best practices to address the needs of each and every student.

The district offers workshops and multiple-day seminars, after-school workshops, online courses, and one-on-one coaching and modeling. Select teachers also attend conferences and workshops offered through outside agencies. District staff also partners with principals providing professional development at site learning days and staff meetings.
