Coverage for Today + Wealth Building for Tomorrow

Wherever life's adventures lead, the all-new **Journey Plan** offers a unique approach to health care. In addition to covering everyday medical expenses, the **Journey Plan** helps members build wealth for long-term protection. That's part of the **Journey Plan** difference.

Add the new **Journey Plan** and give your members access to this innovative health plan option.

- **Choice of providers** through UnitedHealthcare's Alliance or Harmony HMO networks
 - Alliance includes **Scripps, UCSD** and more.
 - Harmony includes **Sharp, UCSD** and more.
- **Lowest premiums** of any plans offered through VEBA
- **Wealth building** with annual deposits to a Gallagher HealthInvest HRA that members can use now or save for later—even after they leave the plan
