ESS Direct Deposit Set up for Employee Payroll

Version 1.0 | May 5, 2020

This job aid explains the Employee Self-Service (ESS) Direct Deposit Set up for Employee Payroll.

It includes:

- Overview
- Disclaimer about Direct Deposit Process
- Deciding How You Want Your Direct Deposit Set up
- Adding Direct Deposit Account
- Editing an Existing Direct Deposit
- Removing an Existing Direct Deposit

Overview

Employees can now set up their Employee Payroll Direct Deposit from Employee Self-Service (ESS).

The employee’s direct deposit information is global and applies to all San Diego County School Districts an employee is employed by.

Multiple banking institutions for deposits may be selected. The distribution of amounts for each banking institution is applied in the same manner for all employers.

When you add a new row to change a direct deposit there is no need to re-enter the additional deposits. All prior row information is carried forward to the new row. If you need to stop one bank account, just delete it from the new row. You do not need to first inactivate the old direct deposit.
User Guide and Video links on Log in page

You will find links to the ESS Direct Deposit User Guide and Video on the Employee Self-Service (ESS) login page.
Disclaimer about Direct Deposit Process

This disclaimer is on the main Direct Deposit screen. Please READ.

Multiple direct deposit changes are not allowed in the same day. Therefore, please make sure you make all your changes before you hit “Submit”. Please note that this will change in the near future. More information will follow in the coming weeks.

Contact your Payroll Department to find out the Direct Deposit deadline for the current month.

Disclaimer: I hereby authorize the School District(s), Charter School(s) and the San Diego County Office of Education (SDCOE) and/or their agents, to initiate electronic deposits via the Automated Clearing House (ACH) and, as necessary, to debit corrections to previous deposits, to the account(s) specified below.

- By entering my bank information I am authorizing to deposit my paycheck directly to the bank account(s) specified.
- All new accounts may go through a Pre-note verification during which time a paper warrant shall be issued.
- It is my responsibility to keep apprised of any deposit(s) made to my account(s), including the date(s) and amount(s) of any such deposit(s).
- I understand that I have only one direct deposit record for all active positions within a San Diego County School District, Charter School, or SDCOE, even if I am employed by more than one of those employers.

I agree to hold harmless and indemnify the School District(s), Charter School(s), and SDCOE and their officers, employees, and agents from any claim or demand of whatever nature, including those based upon negligence of the District, School or SDCOE and their officers, employees and agents for failure or delay in making deposits and/or corrections to deposits as authorized herein.

This authorization replaces any previous agreements made by me and will remain in effect until changed or canceled by submission of a new Direct Deposit Authorization to the District, School or SDCOE office in which I am currently employed. All District, School, and SDCOE assignments, both current and future, will automatically be linked to the most recent Direct Deposit Authorization received by my current employer(s).

### Deciding How You Want Your Direct Deposit Set Up

The table below explains how you will enter information in Employee Self-Service (ESS).

<table>
<thead>
<tr>
<th>What the employee wants</th>
<th>Most employees</th>
<th>Some employees</th>
</tr>
</thead>
<tbody>
<tr>
<td>&quot;Put all of my paycheck into Account XYZ.&quot;</td>
<td>&quot;Put 10% of my check in Account ABC. Then put $300 in Account DEF. Then put the remaining amount in Account XYZ.&quot;</td>
<td></td>
</tr>
</tbody>
</table>

#### How you enter this in Employee Self-Service (ESS)

| Row 1: | Add Account.
|▪ Deposit Type as Balance of Net Pay |▪ Deposit Order as 99 (Balance of Net Pay must always have the lowest priority). |

| Row 1: 10% | Add multiple accounts. Here is an example:
|▪ Deposit Type = Percent |▪ Amount or Percent = 10 |
|▪ Deposit Order = 10 (highest) |

| Row 2: $300 |▪ Deposit Type = Amount |
|▪ Amount or Percent = 300 |
|▪ Deposit Order = 20 (middle) |

| Row 3: Balance |▪ Deposit Type = Balance of Net Pay |
|▪ Deposit Order = 99 (lowest) – THIS MUST SET TO LOWEST |

### NOTES:

- When setting priority, 1 is the highest and 999 is the lowest.
- It is recommended that you use 10, 20, 30, and so on (instead of 1, 2, 3, 4) so you have more flexibility when you need to make adjustments later.
- With multiple rows, **Balance of Net Pay must always have the lowest priority, 999.** There should always be a balance of net pay as the last record.
Adding Direct Deposit Account

The purpose of this section is to show you how to set up a Direct Deposit Bank Account.

Note: Multiple direct deposit changes are not allowed in the same day. Therefore, please make sure you make all your changes before you hit “save”. Please note that this will change in the near future. More information will follow in the coming weeks.

Contact your Payroll Department to find out the Direct Deposit deadline for the current month.

1. Log into PeopleSoft Employee Self-Service (ESS) https://ess.erp.sdcoe.net
