

March 20, 2020

Dear ESS Families,

As you know, schools will remain closed from Monday, March 16 until further notice. The Extended School Services (ESS) program will be closed as well. As we enter this unprecedented time of school closure, we want to update you on a few matters as they relate to ESS services.

At this moment in time, due to the ambiguity of the current situation, ESS will NOT invoice families or run automatic payments. Once we know with more certainty that our services can and will resume, we will send you information regarding billing and payments. We will do our very best to help our ESS families navigate through these difficult times.

The district continues to work closely with our county and local officials to follow the most appropriate guidance for our schools and our community at that time. The Extended School Services program plans to resume services when schools reopen. As soon as we have more information about any expected changes, we will notify you.

If you have questions or need support, please email our team at essforms@lmsvschools.org. For ongoing updates regarding LMSV reopening, please continue to monitor your email and the LMSV website at <https://www.lmsvschools.org/coronavirus/>. We also continue to post updates to our social media channels on Instagram (@lmsvschoolsess) and Twitter (@LMSVSchoolsESS). Thank you for your patience and support.

Sincerely,

Jennifer Montez

Manager, Extended School Services
