QUESTIONS AND ANSWERS #1

1.) What is the engineer's estimate?

The estimated value is \$150,000.

2.) I could not find your fees for liquidated damages (our surety company request this on all docs to show the district is asking for the amount) and an estimated value. Would it be possible to answer these questions or should I wait for the job walk and you will answer then?

Information about liquidated damages can be found in the bid document. Specifically, the dollar amount for daily liquidated damages is on page 68.

The estimated value is \$150,000.
