When Arriving at Intake

1. Please stay in your car until directed to step out by an ESS team member.
2. Parents and students must be wearing a face covering.
3. All children will have their temperature taken at the intake area before being signed in.
4. If your child has a temperature of 100° or higher, they must go home.
5. Each child (parent) will be asked a series of intake questions daily. If the child does not meet the requirements to safely stay at childcare, they must go home.
6. ESS team members will look for any physical indicators of symptoms in children.
7. Parents are not allowed on campus.

Personal Belongings

Please limit the number of personal belongings your child brings to ESS each day. A water bottle and jacket are the recommended items. Please label all belongings with your child's name. If your child chooses to bring an electronic device (Amazon Fire, Nintendo DS, etc) to use during tech time, they must bring it in the bag provided daily and take it home at the end of each day so it can be sanitized before returning back the next day. ESS will have technology available for students to utilize.

Meals

ESS will be providing a breakfast, lunch and an afternoon snack daily. We will have water and drinking cups available in each room. Children will not be able to use drinking fountains. Sending your child with a water bottle daily is recommended.
