La Mesa-Spring Valley Schools is accepting applications for:

Paraprofessional-Special Education

These positions work with children who have learning, physical and emotional disabilities. Responsibilities may involve assistance with lifting, toileting, and other personal care.

Campus Attendant

These positions monitor the playground and/or lunch area during periods when students are present; organize and direct age-appropriate activities for school age students; encourage students to observe fundamental courtesies at school.

Extended School Services Recreation Attendant/Program Aide

These positions observe and manage the behavior of students enrolled in ESS during recreational activities; monitor the play area during periods when students are present; organize and direct age-appropriate activities for school age students; coordinate and implement academic activities aligned with District curricula and educational standards.

Paraprofessional - Preschool

These positions assist preschool age students with instruction; appropriate behaviors; learning activities and personal hygiene as needed in a classroom environment.
