

**LA MESA-SPRING VALLEY SCHOOL DISTRICT
CALIFORNIA UNIFORM PUBLIC CONSTRUCTION COST ACCOUNTING ACT
CONTRACTOR REGISTRATION FORM**

The La Mesa-Spring Valley School District has elected to become subject to the California Uniform Public Construction Cost Accounting Act (“CUPCCAA”). The School District is inviting all licensed contractors to submit information for inclusion on the District’s list of qualified bidders for the 2021 calendar year.

The registration process is for the purpose of being notified of bid opportunities according to your license classification. Prequalification is a more complex process and will be required of all General Contractors (A and B) and all M/E/Ps for projects in excess of \$1 million.

SB 854 became effective July 1, 2014, and requires contractors to register with the Department of Industrial Relations prior to bidding on public works projects. This registration does not fulfill that requirement.

The District may create a new contractors list effective January 1st of each year. The District may include any contractor name it desires on the list, but the list must include, at a minimum, all contractors who have properly provided the District with the information required, either during the calendar year in which the list is valid or during November or December of the prior year. A contractor may have their firm added to the School District’s contractors list at any time by providing the required information.

Contractors are required to provide the following information:
