The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a student was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the district's education program or activity

3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

All other sexual harassment complaints shall be investigated and responded to pursuant to AR 1312.3 - Uniform Complaint Procedures.

A report of sexual harassment shall be submitted directly to or forwarded to the district's Title IX Coordinator using the contact information listed in AR 5145.7 - Sexual Harassment.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the process for filing a formal complaint.

Even if the alleged victim chooses not to file a formal complaint, the Title IX Coordinator shall file a formal complaint in situations in which a safety threat exists. In addition, the Title IX Coordinator may file a formal complaint in other situations as permitted under the Title IX regulations. In such cases, the alleged victim is not a party to the case, but will receive notices as required by the Title IX regulations at specific points in the complaint process.

A formal complaint, with the complainant's physical or digital signature, may be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

The Superintendent or designee shall ensure that the Title IX Coordinator, investigator, decision-maker, or a facilitator of an informal resolution process does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent, and that such persons receive training in accordance with 34 CFR 106.45. (34 CFR 106.45)

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, even if a formal complaint is not filed, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures which are nondisciplinary, nonpunitive, and do not unreasonably burden the other party. Supportive measures shall be provided at no cost.

Such measures may include, but are not limited to, counseling, course-related adjustments, modifications of class schedules, mutual restrictions on contact, increased security, and monitoring of certain areas of the campus. The Title IX Coordinator shall consider the complainant's wishes with respect to supportive measures. (34 CFR 106.30, 106.44) Supportive measures will be provided in a confidential manner to the extent that maintaining such confidentiality would not impair the ability of the District to provide the supportive measures.

Emergency Removal from School

The District will comply with state law governing student discipline and school removals. When required by Title IX, on an emergency basis, the district may remove a student from the district's education program or activity, prior to the completion of the formal complaint process. In order to do so, the District shall:

1. Complete an individualized safety and risk analysis;

2. Determine there is a credible, immediate threat to the physical health or safety of another member of the educational community; and,
3. Provide the respondent with notice of the emergency removal decision.

Should the District implement an emergency removal, respondent shall have the right to immediately challenge the District's determination. To do so, the respondent must submit his/her written challenge to the Title IX Coordinator within three (3) school days from the date s/he receives the District's notice of the emergency removal decision. Within three (3) school days of receipt of the respondent's challenge to the District's emergency removal decision, the Title IX Coordinator shall review and submit a determination to the respondent regarding his/her challenge.

This authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30 even if proved. The Title IX Coordinator shall also dismiss any complaint that did not occur in the district's education program or activity or did not occur against a person in the United States.

The Title IX Coordinator may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly, and simultaneously to the parties, send written notice of the dismissal and the reasons for the dismissal. (34 CFR 106.45)

If a complaint is dismissed on the grounds that the alleged conduct does not constitute sexual harassment as defined in 34 CFR 106.30, the conduct may still be addressed pursuant to BP/AR 1312.3 - Uniform Complaint Procedures as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed, the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint. (34 CFR 106.45)

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations, the requirements of the informal resolution process, the right to withdraw from the informal process and resume the formal complaint process, and any consequences resulting from participating in the informal resolution process, including that records will be maintained or could be shared.

2. Obtains the parties' voluntary, written consent to the informal resolution process

3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Privacy and Confidentiality

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws. The District will likewise strive to maintain confidentiality to the extent possible; however, it cannot ensure complete confidentiality in complying with the requirements of this process. The Family Educational Rights and Privacy Act (“FERPA”) and corresponding state law continue to apply; however, information relevant to the complaint and investigation may be disclosed as required by law.

Formal Complaint Process
If a formal complaint is filed, the Title IX Coordinator shall provide the complainant and respondent with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process

2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident if known. Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview.
