School Description

Murdock Elementary School is an outstanding school quietly nestled in the hills of La Mesa. This California School of Excellence is the recipient of many awards including Distinguished School, National Blue Ribbon, and the Golden Bell. Murdock is unique with the many opportunities that help develop and educate students in the academics and arts. Through the Art Docents and Music program, our students are able to be successful in both rigorous studies and the arts. We are dedicated to providing a rigorous, nurturing program that challenges every student.

Our Mission/Purpose Statement is "To Inspire Learning and Respect".

The vision for Murdock Elementary is a community of life-long learners who engage in continuous improvement and contribute positively to a global society, within a safe learning environment.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	76	N/A	53	N/A	50	N/A
Math	68	N/A	42	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Murdock School succeeds when parents are our partners in their child’s education. Murdock is well known for parent involvement. We are bound to provide opportunities for parents and community members to participate actively at Murdock. We strongly encourage and support parental involvement through: Parent Volunteering Opportunities – Parents of our community serve as volunteers in the classrooms, PTA, Run-4-Fun, P.E., STEAM and Art Docents, Garden Docents, Watch D.O.G.S. Program, field trips and throughout our school programs and activities. For more information on volunteering, please contact April Rodriguez or Dani Abbott at president@murdockpta.org.

English Language Acquisition Committee (ELAC) – A group of parents who meet throughout the year to receive information on special programs and services. PTA – Our active and involved PTA supports Murdock’s students, staff, and parents in a variety of ways. The PTA Board meets monthly and provides support for school programs and activities, including assemblies, fundraisers, family nights, field trips, instructional materials, book fairs, music, and evening activities. School Site Council (SSC) – An elected group of parents and staff who meet throughout the year to study the effectiveness of curriculum and instruction, and make recommendations for allocating site funds. For more information contact April Rodriguez or Dani Abbott at president@murdockpta.org.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Current site Comprehensive School Safety Plans (CSSP) are received by the district each year and are approved by the La Mesa-Spring Valley School Board of Education. Each site’s plan outlines systems, programs, and practices in place to ensure a safe school environment including, but not limited to, child abuse reporting, disaster preparedness, campus access, and drug and alcohol education and cessation. Each site has one teacher appointed as the school’s Health and Safety Officer. This person and the site principal presented their School Safety Plans to their respective School Site Council for review and acceptance prior to submission to the Board of Education.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.1	1.4	4.0	4.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.29	3.4	2.6
Expulsions	0.0	0.03	.06

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	1.5	3.5	5.5

Professional learning in La Mesa-Spring Valley Schools (LMSVS) continues evolving to cultivate capacity and efficacy of teachers so that they can ensure high levels of learning for each and every student. In recent years, professional learning has emphasized developing a common language around high quality teaching and learning and building collaborative cultures that promote high levels of learning for all students through professional learning communities. This work has included a deeper dive into content standards through the selection of essential standards and discussions around mastery and effective assessment, social-emotional learning and having an equity lens in all our work. In response to student performance data and classroom observation, current professional learning focuses on aligning instruction to standards and student experience, with extra time and resources dedicated to mathematics and English learners.

During the 2019-20 school year we began a Blended Professional Development program which offered online professional development options while still offering face-to-face professional development. With in-person learning restrictions in place due to COVID-19, the professional development for our educators during 2020-21 thus far has been completely online.

Regardless of the learning format, our LMSVS educators are eager to engage in professional development, and the District is committed to supporting them with many tools, strategies, and training to support our online learning model. Central to our training in 2020-21 is the Distance Learning Playbook brought to us with educational research partners Doug Fisher, Nancy Frey and John Hattie. A book was ordered for each certificated educator in our system. The book study will be used throughout the year to anchor our practice and approach to distance learning and instruction.

Professional development days at the start of the 2020-21 school year ensured deep learning of essential components of our distance learning program.

The training sessions included:

- Distance Learning Playbook
- Supporting Social Emotional Learning (SEL) in Distance Learning
- Google Classroom Dojo, Seesaw or Jupiter Grades
- Zoom Enhanced (Using Zoom to support differentiation and small groups)
- Designated ELD support and strategies
- Supporting students with IEPs in online/distance learning

As the school year progresses, we will continue to provide support in these areas to deepen our expertise in providing both distance and hybrid learning to our students. These opportunities, thus far, include professional development activities conducted on more than 70 days.

In order to help support the planning and professional development of our educators, the LMSVS Distance Learning Website was redesigned to include pacing guides, quick links for tutorials with Zoom, Google Classroom, Seesaw, Dojo, online curriculum supports and more. The site now also includes tools and information for supporting English learners and providing differentiation in the content areas.

With professional learning communities as a foundation, professional development is approached from multiple angles to ensure that it is relevant, timely, and targeted to both student and teacher needs and to capitalize on teacher expertise. Teachers meet weekly, as a grade level or discipline, to analyze student data and discuss best practices to address the needs of each and every student.

Regardless of the manner in which our students are educated, LMSVS believes in continuous learning and we will ensure high-quality professional learning to all of our staff in an on-going manner throughout the entire 2020-2021 school year.
