School Description

Spring Valley Academy is a designated No Place For Hate School. We are thankful and proud to be recognized by the Anti-Defamation League as a school that challenges bias/bullying and promotes respect and inclusion. Our caring and supportive staff members serve students in grades 6-8. Students at SVA experience personalized learning to engage ALL students.

SVA's vision is to empower students to succeed in our ever-changing world. Our mission is to provide a safe, caring, and inclusive learning environment for all students, staff, and community through an engaging, collaborative, and innovative experience. Students are encouraged to be well-rounded, balanced learners. Extra-curricular opportunities on campus include Marching Band, Color Guard, Femineers, and Club Serve, STEP, Art, STEM Club, Computer Science Club, Basketball, Soccer, Flag Football, and Boys to Men. Tutorial opportunities for students to get additional help in academic courses are offered throughout the week. Parents are encouraged to be involved in a variety of ways. A few of those opportunities include School Site Council, English Learner Advisory Council, volunteer opportunities, or PTSA. Additional evening family nights and parent education opportunities offer additional involvement opportunities for families.

Spring Valley Academy's mascot embodies the values of SOAR - service, opportunity, autonomy and respect. At SVA, we strive to empower our students to be the best they can be.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

This school is inspected continuously throughout the year by the Maintenance and Operations Department staff. Work orders are generated and repairs and/or maintenance is performed as required.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: May 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	35	N/A	53	N/A	50	N/A
Math	20	N/A	42	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in Science for All Students

Science	17	N/A	36	N/A	30	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Opportunities for parent involvement are numerous and include tutoring, mentoring programs, hosting celebrations, chaperoning field trips, supporting music programs, and preparing curriculum materials in our Parent Center. The Parent Teacher Student Association (PTSA) includes 40 positions and hundreds of other parents work “behind the scenes” to assist the school. Our School Site Council (SSC) which is comprised of parents, students, and teachers actively plans improvements for Spring Valley Academy. Our English Learners Advisory Committee (ELAC) is a parent group representing second language students. To volunteer in our music program, please contact Mr. Avi Mehta at Avi.Mehta@lmsvschools.org. For all other volunteer opportunities, please contact Liliana Zavala at Liliana.Zavala@lmsvschools.org. We appreciate our volunteers and welcome any parent wanting to become more involved.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Current site Comprehensive School Safety Plans (CSSP) are received by the district each year and are approved by the La Mesa-Spring Valley School Board of Education. Each site’s plan outlines systems, programs, and practices in place to ensure a safe school environment including, but not limited to, child abuse reporting, disaster preparedness, campus access, and drug and alcohol education and cessation. Each site has one teacher appointed as the school’s Health and Safety Officer. This person and the site principal presented their School Safety Plans to their respective School Site Council for review and acceptance prior to submission to the Board of Education.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	9.4	14.0	4.0	4.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	10.07	3.4	2.6
Expulsions	0.1	0.03	.06

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	1.5	3.5	5.5

Professional learning in La Mesa-Spring Valley Schools (LMSVS) continues evolving to cultivate capacity and efficacy of teachers so that they can ensure high levels of learning for each and every student. In recent years, professional learning has emphasized developing a common language around high quality teaching and learning and building collaborative cultures that promote high levels of learning for all students through professional learning communities. This work has included a deeper dive into content standards through the selection of essential standards and discussions around mastery and effective assessment, social-emotional learning and having an equity lens in all our work. In response to student performance data and classroom observation, current professional learning focuses on aligning instruction to standards and student experience, with extra time and resources dedicated to mathematics and English learners.

During the 2019-20 school year we began a Blended Professional Development program which offered online professional development options while still offering face-to-face professional development. With in-person learning restrictions in place due to COVID-19, the professional development for our educators during 2020-21 thus far has been completely online.

Regardless of the learning format, our LMSVS educators are eager to engage in professional development, and the District is committed to supporting them with many tools, strategies, and training to support our online learning model. Central to our training in 2020-21 is the Distance Learning Playbook brought to us with educational research partners Doug Fisher, Nancy Frey and John Hattie. A book was ordered for each certificated educator in our system. The book study will be used throughout the year to anchor our practice and approach to distance learning and instruction.

Professional development days at the start of the 2020-21 school year ensured deep learning of essential components of our distance learning program.

The training sessions included:

- Distance Learning Playbook
- Supporting Social Emotional Learning (SEL) in Distance Learning
- Google Classroom Dojo, Seesaw or Jupiter Grades
- Zoom Enhanced (Using Zoom to support differentiation and small groups)
- Designated ELD support and strategies
- Supporting students with IEPs in online/distance learning

As the school year progresses, we will continue to provide support in these areas to deepen our expertise in providing both distance and hybrid learning to our students. These opportunities, thus far, include professional development activities conducted on more than 70 days.

In order to help support the planning and professional development of our educators, the LMSVS Distance Learning Website was redesigned to include pacing guides, quick links for tutorials with Zoom, Google Classroom, Seesaw, Dojo, online curriculum supports and more. The site now also includes tools and information for supporting English learners and providing differentiation in the content areas.

With professional learning communities as a foundation, professional development is approached from multiple angles to ensure that it is relevant, timely, and targeted to both student and teacher needs and to capitalize on teacher expertise. Teachers meet weekly, as a grade level or discipline, to analyze student data and discuss best practices to address the needs of each and every student.

Regardless of the manner in which our students are educated, LMSVS believes in continuous learning and we will ensure high-quality professional learning to all of our staff in an on-going manner throughout the entire 2020-2021 school year.
