commission, percentage, brokerage fee, gift, or any other consideration contingent on or resulting from the award or making of this Agreement. For breach or violation of this warranty, the District shall have the right to annul this Agreement without liability, or in its discretion, to deduct from the contract price or consideration or otherwise recover the full amount of such fee, commission, percentage fee, gift, or contingency.

Article 17. Entire Agreement/Modification

Program Manager specifically acknowledges that in entering this Agreement, Program Manager relies solely upon the provisions contained in this Agreement and no others.

Article 18. Non-Assignment Of Agreement

In as much as this Agreement is intended to secure the specialized services of the Program Manager, Program Manager may not assign, transfer, delegate or sublet any interest therein without the prior written consent of District and any such assignment, transfer, delegation or sublease without the District’s prior written consent shall be considered null and void.

19.2. San Diego County shall be the venue for any action or proceeding that may be brought or arise out of, in connection with or by reason of this Agreement.

Article 20. Alternative Dispute Resolution

20.1. Notwithstanding any disputes, claims or other disagreements between Program Manager and the District, Program Manager shall continue to provide and perform services hereunder pending a subsequent resolution of such disputes.

20.2. All claims, disputes or controversies arising out of, or in relation to the interpretation, application or enforcement of this Agreement may be decided through mediation as the first method of resolution. Notice of the demand for mediation of a dispute shall be filed in writing with the other party to the Agreement. The demand for mediation shall be made within a reasonable time after written notice of the dispute has been provided to the other party, but in no case longer than ninety (90) days after initial written notice.

20.3. If a claim, or any portion thereof, remains in dispute upon satisfaction of all applicable dispute resolution requirements, the Consultant shall comply with all claims presentation requirements as provided in Chapter 1 (commencing with section 900) and Chapter 2 (commencing with section 910) of Part 3 of Division 3.6 of Title 1 of Government Code as a condition precedent to the Consultant’s right to bring a civil action against the District. For purposes of those provisions, the running of the time within which a claim must be presented to
the District shall be tolled from the time the Consultant submits its written
claim until the time the claim is denied, including any time utilized by any
applicable meet and confer process.

Article 21.  Tolling of Claims

Program Manager agrees to toll all statutes of limitations for District’s assertion of claims
against Program Manager that arise out of, pertain to, or relate to Contractors’ or
subcontractors’ claims against District involving Program Manager’s work, until the
Contractors’ or subcontractors’ claims are finally resolved.

Article 22.  Severability

If any term, covenant, condition or provision of this Agreement is held by a court of
competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions
hereof shall remain in full force and effect and shall in no way be affected, impaired or
invalidated thereby.

Article 23.  Employment Status

23.1.  Program Manager shall, during the entire term of Agreement, be construed to
be an independent contractor and nothing in this Agreement is intended nor
shall be construed to create an employer-employee relationship, a joint venture
relationship, or to allow District to exercise discretion or control over the
professional manner in which the Program Manager performs the Services
which are the subject matter of this Agreement; provided always, however,
that the Services to be provided by Program Manager shall be provided in a
manner consistent with all applicable standards and regulations governing such
Services.

Internal Revenue Service or the State Employment Development Department,
or both, determine that Program Manager is an employee for purposes of
collection of any employment taxes, the amounts payable under this Agreement
shall be reduced by amounts equal to both the employee and employer portions
of the tax due (and offsetting any credits for amounts already paid by Program
Manager which can be applied against this liability).  District shall then forward
those amounts to the relevant taxing authority.

23.4.  Should a relevant taxing authority determine a liability for past services
performed by Program Manager for District, upon notification of such fact by
District, Program Manager shall promptly remit such amount due or arrange
with District to have the amount due withheld from future payments to Program
Manager under this Agreement (again, offsetting any amounts already paid by
Program Manager which can be applied as a credit against such liability).
23.5. A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Program Manager shall not be considered an employee of District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Program Manager is an employee for any other purpose, then Program Manager agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or administrative authority determined that Program Manager was not an employee.

23.6. Nothing in this Agreement shall operate to confer rights or benefits on persons or entities not a party to this Agreement.

**Article 24. Warranty of Program Manager**

24.1. Program Manager warrants that the Program Manager is properly licensed and/or certified under the laws and regulations of the State of California to provide all the services that it has herein agreed to perform. Program Manager further warrants that all the work performed under this Agreement by the Program Manager shall comply with all applicable laws, rules, regulations and codes of the United States and the State of California. The Program Manager also warrants that it shall comply with all applicable ordinances, regulations, and resolutions of the District and San Diego County.

24.2. Program Manager certifies that it is aware of the provisions of the Labor Code of the State of California, that require every employer to be insured against liability for workers compensation or to undertake self-insurance in accordance with the provisions of that code, and it certifies that, if applicable, it will comply with those provisions before commencing the performance of the work of this Agreement.

24.3. Program Manager certifies that it is aware of the provisions of California Labor Code that require the payment of prevailing wage rates and the performance of other requirements on certain “public works” and “maintenance” projects (“Prevailing Wage Laws”). To the extent that work is performed as part of an applicable “public works” or “maintenance” project, where the total compensation is $1,000 or more, the Program Manager agrees to fully comply with and to require its sub-consultant(s) to fully comply with all applicable prevailing wage requirements of the California Labor Code.
