4.) Noted on page 39: I- Recycling Services

Office size blue recycling containers MUST be provided at no charge as needed and ship within 10 days of request. The dimensions are 15" high, 14 ½ long, and 10 ½ wide. The approximate capacity is 10 gallons. Not to exceed 100 containers.

Question: Can you please provide a picture and manufacturer of a can that is acceptable.

Answer: See the photo below. The manufacture can be a Rubbermaid or equivalent.

Question: Can you please confirm that 100 containers quantity will fulfill the life of the full contract for 3-5 years depending on extension.

Answer: Addendum #2 clarifies the number of containers needed. The quantity is not to exceed 100 annually.

6.) Noted on page 41: Appendix A

Question: Do you currently have an established organics program where your current provider picks material up weekly? If yes, what schools are currently being picked up and how frequently?

Answer: No, the toters do not need a locking mechanism.

7.) Can you please confirm that no performance or payment bond will be needed after award?

Answer: The district is not requiring a performance or payment bond.

8.) Is the “Bid Amount”, the estimated total monthly cost or the estimated total annual cost?

Answer: The total monthly cost.
