Additionally, the District is required to obtain information from the Bidder regarding lobbying activities.

If the debarment/suspension occurs during the term of the contract, the District will not exercise its right to renew under the contract conditions.

49. **Contract Progress Meeting:** The successful Bidder shall be required to attend contract progress meetings as requested by the District during the term of this agreement. At these meetings, the District will appraise the Bidder of how the District assesses the Bidder's performance under this agreement/contract. 51. **Delivery Conditions:** The Bidder's delivery person shall display identification as an employee of the Bidder and check in with the Child Nutrition Supervisor or designated representative upon arrival at the school site prior to unloading product into the facility. The Bidder, or their agent, is responsible for unloading the merchandise and placing it inside the building in an area designated by an authorized representative of the District. 53. **Condition of Product at time of Delivery:** Vendors shall assure that refrigerated trucks are used to protect perishable products during transport and that these trucks comply with all ServSafe/Hazard Analysis Critical Control Point (HACCP) regulations. Upon delivery, all products shall be in compliance with applicable specifications and will be examined by the District's representative for cleanliness and soundness. The successful vendor must credit the District the full value of any product that is discovered to have an expired date code, is defective, or is considered to have been tampered with in any way prior to its arrival at the District's school sites. This includes any hidden damage discovered after acceptance and delivery at the District's school sites.

All products shall bear visible freshness code dates and shall meet industry standards for remaining shelf-life upon delivery to the schools.
55. **Past Performance:** A Bidder may be ruled “non-responsible” based upon Bidder’s unacceptable past performance with the District which may include but is not limited to: late/non deliveries, partial deliveries, delivery of wrong materials, products, not meeting specification, providing incorrect prices, invoicing problems, default, etc.
56. **References:** Bidders must provide a minimum of three (3) customer references that are current within the last three years. These references must have received services that were similar in the scope and nature of the services being requested in this solicitation. The District may contact any or all references during the evaluation process. Bidders must complete the Bidder Profile/References form contained herein.
57. **Conflicts in the Contract Documents:** The Contract documents are intended to be complementary and interpreted in harmony so as to avoid conflict. In the event of conflict in the Contract documents, the parties agree that the document providing the highest quality and level of service shall supersede any inconsistent version of these documents.
58. **Headings and Captions:** The headings and captions used in this Contract are for convenience only. They are intended as descriptive and are not intended to limit or otherwise restrict the terms and conditions set forth herein.
59. **Gifts and Gratuities:** It is the policy of the District not to accept gifts, gratuities, or favors of any kind, or of any value whatsoever, from Bidders, members of their staffs, or families.

SPECIFICATIONS/CONTRACT SCOPE (continued)

4. **Order Placement:** The District prefers to use a computerized ordering system where all orders are electronically transmitted to the vendor. The need to electronically transmit orders is important because it represents a cost and time savings and eliminates errors as well as being a currently accepted business-to-business standard.

In lieu of the electronic transmittal of orders, the Child Nutrition Department will place orders on an “as required” basis by using electronic mail or telephone. If substitutions are made without prior written permission, a vendor may be removed from bidder list for a period of two years. Emergency orders should be filled as soon as possible. The District reserves the right to award or not award items that contain any of the preceding ingredients. The District may request information regarding the presence or absence of gluten, or any other ingredient, at any time.

12. **Trans Fat:** State law prohibits any food items containing artificial Trans fat unless the manufacturer's documentation or the nutrition facts label lists the Trans fat content as less than 0.5 grams per serving. A food item contains artificial Trans fat if it contains partially hydrogenated vegetable oil.

13. **Nutrition Information:** In order to accommodate the computerized menu system used by the Child Nutrition Department, the successful bidder shall be required to provide a complete nutrient analysis of products, as requested by the District. 1. I certify that none of my employees who may come into limited contact with students has pending criminal proceeding for a felony as defined by Education Code Section 45122.1, nor has ever been convicted of a felony as defined in Section 454122.1.
2. The names of each employee who may come into limited contact with pupils are listed below.

It is our opinion that the nature of the services provided by our company to your District is outside the scope and/or intent of Education Code 45125.1.

We have, however, adopted a policy within our company that requires all employees, when on company business at school sites, to be in the presence and supervision of school district adult employees when students are present. Since our business activity only involves limited contact or no contact with students and 100 percent supervision by school adult personnel, it is unnatural and unlikely that our employees would be without school district adult supervision at any time students are present.

CERTIFICATION AND DISCLOSURE STATEMENTS

Following is an explanation of submittal requirements of the ***Suspension and Debarment Certification Statement*** and the ***Certification Regarding Lobbying*** by School Food Authorities (SFA) and Food Service Management/Consulting Companies.

Beginning with the 1998/99 school year, instructions to comply with procurement requirements by completion of these certifications will be included in the annual renewal of School Nutrition Programs.

The applicability of this information begins with the 1998/99 school year and is for SFAs that meet one of the following criteria:

The SFA's estimated annual federal child nutrition reimbursement will exceed \$100,000.

The SFA's annual contract with a vendor exceeds \$100,000.

The SFA utilizes a Food Service Management or Consulting Company and the annual contract exceeds \$100,000.

Suspension and Debarment Certification

This certification is required to be completed by the contractor each time an SFA renews or extends an existing contract that exceeds \$100,000. The certification is also required when an SFA puts out bids for goods and services that will exceed \$100,000. In these instances, the SFA must obtain a completed ***Suspension and Debarment Certification*** from either the potential vendor or existing contractor before any transactions can occur between the sponsor and the vendor or contractor (7 CFR 3017.110). This certification is required as part of the original bid, contract renewal, or contract extension to assure the SFA that the vendor or any of its key employees have not been proposed for debarment, debarred, or suspended by a Federal agency. While *this certification is required for all contracts in excess of \$100,000*, it is recommended that they be routinely requested under all procurements. The completed certification is to be attached to the signed contract and maintained on file by the SFA. **Do not submit the certification to the California Department of Education.**

Certification Regarding Lobbying

SFAs that receive in excess of \$100,000 in annual federal meal reimbursement **must** annually complete and **submit** this certification statement to the California Department of Education (CDE), Child Nutrition and Food Distribution Division (CNFFD). The statement is part of the annual renewal of the SFA's agreement with the California Department of Education, Child Nutrition and Food Distribution Division.

In addition, when SFAs put out bids for goods and services or renew/extend existing contracts that exceed the \$100,000 threshold, they are required to obtain a completed ***Certification Regarding Lobbying*** from either the potential vendors and/or existing contractors before any transactions can occur between the SFA and the vendor or contractor (7 CFR 3018.110). This certification is required as part of the original bid, contract renewal, or contract extension and is not submitted the CDE.

Also enclosed is the **Disclosure of Lobbying Activities** form. This is required to be completed if the potential or existing contractor, using other than federal funds, has paid or will pay for lobbying activities in connection with the school nutrition program agreement (Item 2 of the ***Certification Regarding Lobbying*** statement).

Applicable to Both Certification Statements

- Federal law prohibits SFAs from circumventing the \$100,000 threshold by entering into multiple contracts; each of which do not equal or exceed \$100,000, but the aggregate amount of all the contracts will equal or exceed \$100,000.

- Vendors must submit completed certifications to the SFA as part of the original bid, contract renewal, or contract extension. If completed certifications are not included, the original bid is considered nonresponsive, and the contract renewal or extension is incomplete. In order for the SFA to consider the original bid or renew/extend the original contract, the vendors must have submitted current certifications to the SFA.

SFAs with Food Service Management or Consulting Contracts

SFAs utilizing food service management or consulting companies **must** include both certification statements in all Requests for Proposals (RFP). SFAs must retain the certifications with its documentation of new contracts and contract amendments/renewals submitted to the CDE, CNFDD, for approval. The food service management or consulting company must annually sign and submit to the SFA both the ***Suspension and Debarment Certification*** and the ***Certification Regarding Lobbying***. If receiving more than \$100,000 in federal reimbursement, the SFA is required to sign and submit the ***Certification Regarding Lobbying*** to the CDE, CNFDD.

Summary

- ***Suspension and Debarment Certification***

1. The SFA must include this certification in all RFPs that result in an annual contract in excess of \$100,000.
2. A contractor is required to sign this certification when a contract or renewal contract with an SFA exceeds \$100,000 annually in federal funds.
3. The SFA retains certification signed by contractor with executed contract and maintains it on file.

- ***Certification Regarding Lobbying***

1. SFAs receiving in excess of \$100,000 in annual federal reimbursement must sign and submit this certification during the annual renewal of the School Nutrition Programs participation.
2. SFAs must obtain this completed certification from any potential or existing contractor as part of any original contract or contract renewal/extension that exceeds the annual expenditure of \$100,000 in federal funds. **Retain** the certifications with bid documents.
3. The **Disclosure of Lobbying Activities** form may need to be completed if any payment has been made or will be made to any person or lobbying entity. (Item 2 of ***Certification Regarding Lobbying***.)

**SUSPENSION AND DEBARMENT CERTIFICATION
U.S. DEPARTMENT OF AGRICULTURE**

INSTRUCTIONS: SFA to obtain from any potential vendor or existing contractor for all contracts in excess of \$100,000. This form is required each time a bid for goods/services over \$100,000 is solicited or when renewing/extending an existing contract exceeding \$100,000 per year (Includes Food Service Management and Food Service Consulting Contracts).

If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
