The La Mesa-Spring Valley School District is required to annually notify pupils, parents, and guardians of their rights and responsibilities, pursuant to California Education Code (EC) 48980.

An acknowledgment of receipt of this notice must be signed by the parent or guardian and returned to the school as required by EC 48982.
Dear Students, Parents and Guardians,

State law requires the La Mesa-Spring Valley School District to provide annual notification to students, parents and guardians of their rights and responsibilities pertaining to their child’s education. Please read this Annual Notification. A parent or guardian is required to acknowledge their receipt of this notice by signing and returning the signature page to their child’s school. Your signature is an acknowledgment that you have been informed of your rights and does not indicate consent for a child to participate or not participate in any particular program listed within the Annual Notification.

Some legislation requires additional notification to the parents or guardians during the school term prior to a specific activity. A separate letter will be sent to the parents or guardians prior to any of these specified activities or classes, and the student will be excused whenever the parents or guardians file with the principal of the school a statement in writing requesting that their child not participate. Other legislation grants certain rights that are to be spelled out in this Annual Notification.

The involvement of parents or guardians in the education of their children is integral to student learning and wellbeing. This annual notification also contains information about the various ways you can be involved in your child's education.

Our mission to provide a high-quality education, in a safe and supportive learning environment, is made possible by the dedicated efforts of the entire LMSV community: staff, students, and parents alike. Thank you for your continued partnership in this life-changing work.

Sincerely,

David Feliciano, Superintendent

EQUITY AND ACCESS

NONDISCRIMINATION IN PROGRAMS AND ACTIVITIES

STATEMENT OF NON-DISCRIMINATION

Discrimination in education programs is prohibited by state and federal law. Education Code section 200, et seq. requires school district to afford all pupils regardless of gender, gender identity, gender expression, sex, race, color, religion, natural origin, immigration status, ethnic group identification, mental or physical disability, sexual orientation, or the perception of one or more of such characteristics, equal rights and opportunities in accessing educational programs, activities and facilities.

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, and national origin. Title IX prohibits discrimination on the basis of sex. The Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 prohibit discrimination on the basis of disability. Also, pursuant to EC 212.1, “race” is inclusive of traits historically associated with race, including, but not limited to, protective hairstyles and textures.

La Mesa-Spring Valley School District will take the required steps to assure that the lack of English will not be a barrier to admission and participation in district programs. This policy applies to all students insofar as participation in programs and activities is concerned, with few exceptions such as contact sports. In accordance with federal law, complaints alleging non-compliance with this policy are investigated through the Uniform Complaint Process.

PUPIL PROTECTIONS RELATING TO IMMIGRATION AND CITIZENSHIP STATUS-EC 234.7

Except as required by state or federal law or as required to administer a state or federally supported educational program, La Mesa-Spring Valley School District (LMSVSD) shall not collect information or documents regarding citizenship or immigration status of pupils or their family members.

Should any request be made for information or access to a school-site by an officer or employee of a law enforcement agency for the purpose of enforcing immigration laws, LMSVSD’s Superintendent shall report to the governing board any such requests in a timely manner that ensures the confidentiality and privacy of any potentially identifying information.

If the district becomes aware that a pupil’s parent or guardian is not available to care for the pupil, LMSVSD staff shall first exhaust any parental instruction relating to the pupil’s care in the emergency contact information it has for the pupil to arrange for the pupil’s care. The La Mesa-Spring Valley School District will not contact Child Protective Services to arrange for the pupil’s care unless it is unable to arrange care through the use of emergency contact information provided by the parents or other information provided by the parent or guardian.

All children have a right to a free public appropriate education, regardless of immigration status of religious beliefs. Therefore, the district has fully adopted model policies published by the Attorney General’s Office entitled “Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California’s K-12 Schools in Responding to Immigration Issues” (https://oag.ca.gov/sites/all/files/agweb/pdfs/bcj/school-guidance-model-k12.pdf). These policies include, but are not limited to, refraining from collecting national origin information during the school enrollment process, accepting all forms of evidence listed in California Education Code section 48002 for the purpose of verifying student age, and not including citizenship status, immigration status, place of birth, or any other information indicative of national origin as directory information. Please visit the State of California’s Attorney General’s “Know Your Rights” page for more information at https://oag.ca.gov/immigrant/rights.

MIGRANT EDUCATION-EC 54444.2

When the La Mesa-Spring Valley School District receives migrant education funds and services, it will actively solicit parental involvement in the planning, operation, and evaluation of its programs through the establishment of a parent advisory council. Parents have the sole authority to determine the composition of the council.

SAFE PLACE TO LEARN ACT-EC 234, 234.1

LMSVSD has adopted policies pertaining to the following:

- Prohibition of discrimination and harassment based on characteristics set forth in EC § 220 and Penal Code 422.55;
- Process for receiving and investigating complaints of discrimination and harassment;
- Maintenance of documentation of complaints and their resolution;
- Process to ensure complainants are protected from retaliation and the identity of a complainant is kept confidential if appropriate; and
- Identification of a responsible LEA officer to ensure compliance.

LMSVSD’s anti-discrimination and anti-harassment policies are posted in schools and offices and available online at www.lmsvschools.org.
TITLE IX: SEX EQUITY IN EDUCATION ACT

SEXUAL HARASSMENT

SEXUAL HARASSMENT POLICY – EC 231.5, 48980(g), 48900.2

La Mesa-Spring Valley School District will not tolerate sexual harassment by anyone participating in any district program or activity. This includes student-to-student or peer sexual harassment as well as harassment between a student and any district participant.

LMSVSD takes all complaints of sexual harassment seriously, investigates and addresses identified sexual harassment, and if the investigation results in the determination that sexual harassment has occurred, takes reasonable, immediate corrective action to stop the harassment, eliminate a hostile environment, and prevent future sexual harassment. Alleged pupil sexual harassment in violation of district policy or federal or state law will be handled pursuant to LMSVSD policy and procedures which can be found online at www.lmsvschools.org.

A pupil in grades 4 to 8, inclusive, may be suspended from school or recommended for expulsion if the superintendent or principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined below.

California Education Code section 212.5 defines sexual harassment as any unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from or in the work or educational setting, under any of the following conditions:

a. Submission to the conduct is explicitly or implicitly made a term or a condition of an individual’s employment, academic status, or progress.
b. Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.
c. The conduct has the purpose or effect of having a negative impact upon the individual’s work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.
d. Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

CYBER SEXUAL BULLYING-EC 234.2

La Mesa-Spring Valley School District may suspend or expel students who engage in cyber sexual bullying consistent with the LMSVSD’S disciplinary procedures described above. The California Department of Education has developed information regarding cyber sexual bullying available at http://www.cde.ca.gov/ls/ss/se/bullyingprev.asp
A pregnant or parenting pupil is defined as any pupil who gives or expects to give birth, or any parenting pupil who identifies as the parent of an infant. Pregnant and parenting pupils are entitled to at least eight weeks of parental leave, which can be taken before birth of the pupil's infant if there is a medical necessity, or after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction. The pupil is neither required to take time off nor notify their school that they are doing so; this is a guaranteed minimum right that can be expanded if deemed medically necessary. Parental leave will be considered an excused absence, and the pregnant or parenting pupil is not required to complete any academic work during this period.

A pregnant or parenting pupil may return to their previous school and course of study, and is entitled to make up opportunities for any work missed during the leave.

A pregnant or parenting pupil who does not wish to reenroll in his or her previous school is entitled to alternative education options offered by the local education agency. If so enrolled, the pupil shall be given educational programs, activities, and courses equal to those they would have been in if participating in the regular program. Furthermore, a school may not penalize a student for using any of the accommodations mentioned above.

If a student believes that his or her school is discriminating on the basis of sex in opposition to the rights and entitlements listed above, that student can file a complaint through the standard Uniform Complaint Procedures of California Code of Regulations, Title 5 Sections 4600, et. seq.

**FAQs: RIGHTS AND OPTIONS AVAILABLE TO PREGNANT/PARENTING PUPILS**

**Assembly Bill (AB) 2289** states that pregnant and parenting pupils are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children by establishing specified rights. The law is effective as of January 2019.

**Can my school treat me differently because of my pregnancy or parental status?**

No, Title IX of the United States Code prohibits discrimination based on sex, which includes both pregnancy and parental status.

**Can my school prevent me from participating in any educational program or activity?**

No, a school may not exclude or deny a pregnant or parenting pupil from any educational program or activity, including class or extracurricular activity, based solely on the pupil’s pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery. However, a school may require a pupil to obtain a doctor’s note to ensure that they are emotionally and/or physically able to continue participation in the educational program.

**Can my school force me to take part in a pregnant minor program?**

No, a pregnant or parenting pupil does not have to participate in any alternative educational program because of pregnancy or parental status. A student may voluntarily take part in these programs if they choose.

**Am I entitled to any parental leave in preparation or to take care of my newborn child?**

Yes, any pregnant or parenting pupil is entitled to a minimum of eight weeks of parental leave, which may be increased under medical necessity. A pupil is not required to complete any class work during this period, and it must be counted as an excused absence by the school.

**What if my child is sick?**

Taking care of a sick child counts as an excused absence, and the school may not require you to provide a doctor’s note for this kind of absence.

**What happens when I return to school?**

A pregnant or parenting pupil will return to their normal course of study. The pupil is entitled to opportunities to make up any missed work from parental leave. This includes being able to stay for a fifth year of school to complete graduation requirements. The pupil may also enroll in an alternative educational program provided it is equal to that of their former schoolwork.

**Do these rights only apply to pregnant pupils?**

No, these rights apply equally to all pregnant and parenting pupils, defined as any student who gives or expects to give birth, or any student who identifies as a parent of an infant. A pupil may file a uniform complaint if their school violates the rules above.
RIGHTS OF MILITARY CONNECTED YOUTH
CHILDREN OF MILITARY FAMILIES AND OTHER PROTECTED PUPILS-EC 49701, 51225.1, 51225.2
A pupil who is a “child of a military family” is defined as school-aged child or children, enrolled in kindergarten through eighth grade, in the household of an active duty member. “Active duty” means full-time status in the active uniformed service of the United States, including member of the National Guard and Reserve on active duty orders pursuant to 10 U.S.C. sections 1209 and 1211.

A school district shall not require and a parent or guardian shall not request a child of a military family to transfer schools solely to qualify the pupil for an exemption under this section.

The local educational agency shall accept coursework satisfactorily completed by a pupil who is a child of a military family while attending another public school (including schools operated by the United States Department of Defense), a juvenile court school, or a nonpublic, nonsectarian school or agency even if the pupil did not complete the entire course and issue that pupil full or partial credit for the coursework completed.

The local educational agency may not require a child of a military family to retake a course if the pupil has satisfactorily completed the entire course in a public school, a juvenile court school, or a nonpublic, nonsectarian school or agency. If the pupil did not complete the entire course, the local educational agency may not require the pupil to retake the portion of the course the pupil completed unless the local educational agency in consultation with the educational rights holder, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the child of a military family shall be enrolled in the same or equivalent course, if applicable, so that the pupil may continue and complete the entire course. The pupil shall not be prevented from taking or retaking a course to meet eligibility requirements for admission to the California State University or University of California.

A complaint of noncompliance with the requirements of this section may be filed with the local educational agency under the Uniform Complaint Procedures set forth in Chapter 5.1 (commencing with Section 4600) of Division 1 of Title 5 of the California Code of Regulations.

A complainant not satisfied with the decision of a local educational agency may appeal the decision to the CDE and shall receive a written decision regarding the appeal within 60 days of the CDE’s receipt of the appeal.

If a local educational agency finds merit in a complaint, or the Superintendent finds merit in an appeal, the local educational agency shall provide a remedy to the affected pupil.

The above protections shall also apply to pupils in foster care, pupils who are homeless, former juvenile court school pupils, migratory children, and pupils participating in a newcomer program, as defined in Education Code section 51225.2(a).

- That homeless youth shall not be stigmatized by school personnel.

More information can be found online at www.lmsvschools.org.
La Mesa-Spring Valley School District currently operates an afterschool program pursuant to the After School Education and Safety Program Act of 2002. LMSVSD provides priority enrollment to students as follows. First priority shall go to pupils who are identified by the program as homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 11434a), at the time that they apply for enrollment or at any time during the school year, and to pupils who are identified by the program as being in foster care. For programs serving middle school pupils, second priority shall go to pupils who attend daily. Eligible students may receive priority through self-certification or through the district liaison for homeless children if LMSVSD maintains a waiver on file allowing for the release of this information.

RIGHTS OF FOSTER YOUTH

FOSTER YOUTH BILL OF RIGHTS-EC 48853; 48853.5; 49069.5; 51225.1; 51225.2

“Pupil in foster care” means a child who has been removed from their home pursuant to Section 309 of the Welfare and Institutions Code (“WIC”), is the subject of a petition filed under Section 300 or 602 of the WIC, or has been removed from their home and is the subject of a petition filed under WIC section 300 or 602.

A pupil in foster care who is placed in a licensed children's institution or foster family home shall attend programs operated by the local educational agency in which that licensed children’s institution or foster family home is located, unless one of the following applies:

1. The pupil is entitled to remain in their school of origin;
2. The pupil has an individualized education program requiring placement in a nonpublic, nonsectarian school, or in another local educational agency.
3. The parent or guardian, or other person holding the right to make educational decisions for the pupil pursuant to Section 361 or 726 of the WIC or Section 56055 (“educational rights holder”), determines that it is in the best interests of the pupil to be placed in another educational program and has submitted a written statement to the local educational agency that they have made that determination. This statement shall include a declaration that the parent, guardian, or educational rights holder is aware of all of the following:
   a. The pupil has a right to attend a regular public school in the least restrictive environment.
   b. The alternate education program is a special education program, if applicable.
   c. The decision to unilaterally remove the pupil from the regular public school and to place the pupil in an alternate education program may not be financed by the local educational agency.
   d. Any attempt to seek reimbursement for the alternate education program may be at the expense of the parent, guardian, or educational rights holder.

The parent or guardian, or educational rights holder shall first consider placement in the regular public school before deciding to place the pupil in foster care in a juvenile court school, a community school, or another alternative educational setting.

A pupil in foster care may still be subject to expulsion under applicable law and board policy.

Pupils in foster care are subject to other laws governing the educational placement in a juvenile court school, of a pupil detained in a county juvenile hall, or committed to a county juvenile ranch, camp, forestry camp, or regional facility, notwithstanding the rights contained in this notice.

Children in foster care living in emergency shelters (as referenced in the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 11301, et seq.)), may receive educational services at the emergency shelter as necessary for short periods of time for either of the following reasons:

1. For health and safety emergencies.
2. To provide temporary, special, and supplementary services to meet the child's unique needs if a decision regarding whether it is in the child's best interests to attend the school of origin cannot be made promptly, it is not practical to transport the child to the school of origin, and the child would otherwise not receive educational services.

The educational services may be provided at the shelter pending a determination by the educational rights holder regarding the educational placement of the child.

All educational and school placement decisions shall be made to ensure that the child is placed in the least restrictive educational programs and has access to academic resources, services, and extracurricular and enrichment activities that are available to all pupils. In all instances, educational and school placement decisions shall be based on the best interests of the child.

La Mesa-Spring Valley School District has designated Jennifer Coronel, Program Manager, Student Supports, as the educational liaison for pupils in foster care. The role of educational liaison is advisory with respect to placement decisions and determination of
school of origin and does not supersede the role of the parent or guardian retaining educational rights, a responsible adult appointed by
the court, a surrogate parent or a foster parent exercising their legal rights with respect to the education of the child in foster care. The
educational liaison serves the following roles:

1. Ensures and facilitates proper educational placement, enrollment in school, and checkout from school for children in foster care;
2. Assists children in foster care when transferring from one school to another school or from one school district to another
   school district in ensuring proper transfer of credits, records and grades.
3. When designated by the Superintendent, notifies a child in foster care’s attorney and child welfare agency representative(s) of
   pending disciplinary proceedings and pending manifestation determination proceedings if they are also eligible to receive
   special education and related services under the IDEA.

At the initial detention or placement by the Juvenile Court, or any subsequent change in placement of a child in foster care by the
Court, the local educational agency serving the child shall allow them to continue their education in the school of origin for the
duration of the jurisdiction of the court. If the jurisdiction of the court is terminated prior to the end of the academic year:

1. Former children in foster care in grades kindergarten, or 1 to 8, inclusive, shall be allowed to continue their education in the
   school of origin through the duration of the academic year;
2. Former children in foster care in high school shall be allowed to continue their education in the school of origin through
   graduation;
3. Transportation is not required unless the former child in foster care has an IEP and the IEP team determines transportation is
   a necessary related service, required by the unique educational needs of the pupil in order to benefit from their special
   education program. Transportation may be provided at the local educational agency’s discretion. The rights of these youth do
   not supersede any other law governing special education for eligible children in foster care.
4. To ensure that children in foster care have the benefit of matriculating with their peers in accordance with the established
   feeder patterns of school districts, if a child in foster care is transitioning between school grade levels, they shall be allowed to
   continue in the school district of origin in the same attendance area, or, if they are transitioning to a middle school or high
   school, and the school designated for matriculation is in another school district, to the school designated for matriculation in
   that school district.

In consultation with the child in foster care and educational rights holder, the educational liaison may recommend that they waive their
right to attend the school of origin and enroll in a public school within their attendance area. The educational liaison’s
recommendation must be accompanied by a written explanation for the basis of the recommendation and how it serves the child in foster care’s best interests.

1. If the educational liaison, child in foster care, and educational rights holder agree it is in the best interest of the child to waive
   their right to attend the school of origin and attend the recommended school, the child in foster care shall immediately be
   enrolled within the recommended school.
2. The recommended school shall immediately enroll the child in foster care regardless of any outstanding fees, fines, textbooks
   or moneys due to any previous schools of attendance or if the child in foster care is unable to produce clothing or records
   normally required for enrollment, such as previous academic records, medical records, including proof of immunization,
   proof of residency or other documentation.
3. Within two business days of the request for enrollment, the educational liaison for the new school shall contact the school last
   attended by the child in foster care to obtain all academic and other records. The last school attended by the child in foster
   care shall provide all required records to the new school regardless of any outstanding fees, fines, textbooks, or other items or
   moneys owed to the school last attended. The educational liaison for the school last attended shall provide a complete copy of
   their education record to the new school within two business days of receiving the request.

If any dispute arises as to the school placement of a pupil under this section, the pupil has the right to remain in their school of origin,
pending resolution of the dispute.

“School of origin” means the school that the child in foster care attended when permanently housed or the school in which the child in
foster care was last enrolled. If the school the child in foster care attended when permanently housed is different from the school in
which they were last enrolled, or if there is some other school that they attended with which they are connected and that the they
attended within the immediately preceding 15 months, the educational liaison, in consultation with, and with the agreement of, the
child and the educational rights holder, shall determine, in the best interests of the child, the school that shall be deemed the school of
origin.
If the child in foster care is absent from school due to a decision by a court or placing agency to change their placement, the grades and credits of the child in foster care will be calculated as of the date they left school and no lowering of grades will occur as a result of the absence of the child under these circumstances. If the child in foster care is absent from school due to a verified court appearance or related court ordered activity, no lowering of their grades will occur as a result of the absence of the pupil under these circumstances.

The local educational agency shall accept coursework satisfactorily completed by a child in foster care or a pupil who is a homeless youth while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school even if the pupil did not complete the entire course and issue that pupil full or partial credit for the coursework completed.

The local educational agency may not require a child in foster care or pupil who is a homeless youth to retake a course if the pupil has satisfactorily completed the entire course in a public school, a juvenile court school, or a nonpublic, nonsectarian school. If the pupil did not complete the entire course, the local educational agency may not require the pupil to retake the portion of the course the pupil completed unless the local educational agency in consultation with the educational rights holder, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the child in foster care or pupil who is a homeless youth shall be enrolled in the same or equivalent course, if applicable, so that the pupil may continue and complete the entire course. The pupil shall not be prevented from taking or retaking a course to meet eligibility requirements for admission to the California State University or University of California.

A complaint of noncompliance with the requirements of this section may be filed with the local educational agency under the Uniform Complaint Procedures set forth in Chapter 5.1 (commencing with Section 4600) of Division 1 of Title 5 of the California Code of Regulations.

A complainant not satisfied with the decision of a local educational agency may appeal the decision to the CDE and shall receive a written decision regarding the appeal within 60 days of the CDE’s receipt of the appeal.

If a local educational agency finds merit in a complaint, or the Superintendent finds merit in an appeal, the local educational agency shall provide a remedy to the affected pupil.

PROMOTION, ACCELERATION, AND RETENTION
ADMINISTRATIVE REGULATION 5123: PROMOTION/ACCELERATION/RETENTION
Acceleration from Kindergarten to First Grade
Any student who meets the age eligibility requirement and has completed one year of kindergarten shall be admitted to first grade unless the parent/guardian and the Superintendent or designee agree that the student shall continue in kindergarten. (Education Code 48010, 48011)

A student who does not meet the age eligibility requirement may be admitted to first grade at the discretion of the Superintendent or designee and with the consent of the parent/guardian upon determination that the student is ready for first-grade work, subject to the following minimum criteria: (Education Code 48011; 5 CCR 200)

1. The student is at least five years of age.
2. The student has attended a public school kindergarten for a long enough time to enable school personnel to evaluate his/her ability.
3. The student is in the upper five percent of his/her age group in terms of general mental ability.
4. The physical development and social maturity of the student are consistent with his/her advanced mental ability.
5. The parent/guardian of the student has filed a written statement with the district approving the placement in first grade.

Continuation in Kindergarten
Whenever the Superintendent or designee and the parents/guardians agree that a student shall continue in kindergarten for an additional year, the Superintendent or designee shall secure an agreement, signed by the parent/guardian, stating that the student shall continue in kindergarten for not more than one additional school year. (Education Code 46300, 48011)
The Superintendent or designee shall not approve a student's continuation in kindergarten until the student has been enrolled in kindergarten for close to one school year.
Retention at Other Grade Levels
If a student is identified as performing below the minimum standard for promotion to the next grade level based on the indicators specified in Board policy, the student shall be retained in his/her current grade level unless the student's regular classroom teacher determines, in writing, that retention is not the appropriate intervention for the student's academic deficiencies. This determination shall specify the reasons that retention is not appropriate for the student and shall include recommendations for interventions other than retention that, in the opinion of the teacher, are necessary to assist the student in attaining acceptable levels of academic achievement. (Education Code 48070.5)

If the teacher's recommendation to promote is contingent on the student's participation in a summer school or interim session remediation program, the student's academic performance shall be reassessed at the end of the remediation program, and the decision to retain or promote the student shall be reevaluated at that time. The teacher's evaluation shall be provided to and discussed with the student's parents/guardians and the principal before any final determination of retention or promotion. (Education Code 48070.5)

When a student is identified as being at risk of retention, the Superintendent or designee shall so notify the student's parent/guardian as early in the school year as practicable. The student's parent/guardian shall be provided an opportunity to consult with the teacher(s) responsible for the decision to promote or retain the student. (Education Code 48070.5)

Appeal Process
Whenever a student's parent/guardian appeals the teacher's decision to promote or retain a student, the burden shall be on the parent/guardian to show why the teacher's decision should be overruled. (Education Code 48070.5)

To appeal a teacher's decision, the parent/guardian shall submit a written request to the Superintendent or designee specifying the reasons that the teacher's decision should be overruled. The appeal must be initiated within 10 school days of the determination of retention or promotion.

Within 30 days of receiving the request, the Superintendent or designee shall determine whether or not to overrule the teacher's decision. Prior to making this determination, the Superintendent or designee may meet with the parent/guardian and the teacher. If the Superintendent or designee determines that the parent/guardian has overwhelmingly proven that the teacher's decision should be overruled, he/she shall overrule the teacher's decision.

The Superintendent or designee's decision shall be final.

If the final decision is unfavorable to the parent/guardian, he/she shall have the right to submit a written statement of objections which shall become part of the student's record.

U.S. DEPARTMENT OF EDUCATION FAMILY EDUCATIONAL RIGHTS & PRIVACY
PUPIL RECORDS; NOTIFICATION OF RIGHTS-20 U.S.C. 1232g; EC 49063, 49068, 49069.7, 49073
Parents, pupils 18 and over, pupils 14 and over that are both homeless and an unaccompanied youth, and individuals who have completed and signed a Caregiver’s Authorization Affidavit, have rights concerning pupil records under Education Code section 49063. These rights include:

- The right to inspect and review the student's education records within five (5) business days of the day the school receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will forward requests to the Custodian of Records. The Custodian of Records will make arrangements for access and notify the parent or eligible student.
- The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request from
officials of another school district in which a student seeks or intends to enroll, LMSVSD shall disclose education records without parental consent.

- When a student moves to a new district, LMSVSD will forward the student’s records upon the request of the new school district within 10 school days.

A foster family agency with jurisdiction over a currently enrolled or former pupil, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver who has direct responsibility for the care of a pupil may access the current or most recent records of grades, transcripts, attendance, discipline, online communications on school platforms, any IEPs or Section 504 plans maintained by the responsible LEA of that pupil. The above-referenced individuals may access the pupil records listed above solely for the purpose of monitoring the pupil’s educational progress, updating and maintaining the pupil’s education records as required by Welfare and Institutions Code section 16010, and to ensure the pupil has access to educational services, supports and activities, including enrolling the pupil in school, assisting the pupil with homework, class assignments, and college and scholarship applications, and enrolling the pupil in extracurricular activities, tutoring and other afterschool or summer enrichment programs.

“Student Records” do not include:

- Instructional, supervisory or administrative notes by LMSVSD staff that are made only for that staff member or his/her substitute
- Records of a law enforcement unit that were created for use by the law enforcement unit
- Employee records made for personnel use
- Records of a doctor, psychologist, psychiatrist or other treatment provider and/or assistant regarding a student who is 18 or older or who is attending a postsecondary educational institution. In this case, “treatment” does not include remedial instructional measures.

Parents have a right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office / U.S. Department of Education / 400 Maryland Avenue, SW / Washington, D.C. 20202-5920

IMMUNIZATION AND Communicable Diseases-EC 48216, 49403

LMSVSD shall follow all laws, rules, and regulations regarding immunizations required for students to enroll. LMSVSD shall not admit any student until the student is properly immunized as required by law. If there is good cause to believe a student has been exposed to a disease and his or her proof of immunization does not show proof of immunization against that disease, LMSVSD may temporarily exclude the child from school until the local health officer is satisfied that the child is no longer at risk of developing or transmitting the disease.

Exemption from one or more immunization requirements shall be granted under any of the following circumstances:

- A medical exemption is submitted electronically by a California-licensed physician on the California Department of Public Health's (CDPH) California Immunization Registry (CAIR) website. It includes, but is not limited to, a description of the medical basis for which the exemption for each individual immunization is sought and whether the medical exemption is permanent or temporary. (Health and Safety Code 120372)
- The student's parent/guardian filed with the district, before January 1, 2016, a letter or written affidavit stating that an immunization is contrary to the student's personal beliefs, in which case the student shall be exempted from the immunization until the student enrolls in the next applicable grade span requiring immunization (birth to preschool, grades K-6, grades 7-8). (Health and Safety Code 120335)
- The student is enrolled in an independent study program pursuant to Education Code 51745-51749.6 and does not receive classroom-based instruction. (Health and Safety Code 120335)

TYPE 2 DIABETES

Type 2 diabetes is the most common form of diabetes in adults.

- Until a few years ago, type 2 diabetes was rare in children, but it is becoming more common, especially for overweight teens.
- According to the U.S. Centers for Disease Control and Prevention (CDC), one in three American children born after 2000 will develop type 2 diabetes in his or her lifetime.

Type 2 diabetes affects the way the body is able to use sugar (glucose) for energy.

- The body turns the carbohydrates in food into glucose, the basic fuel for the body’s cells.
- The pancreas makes insulin, a hormone that moves glucose from the blood to the cells.
- In type 2 diabetes, the body’s cells resist the effects of insulin, and blood glucose levels rise.
- Over time, glucose reaches dangerously high levels in the blood, which is called hyperglycemia.
• Hyperglycemia can lead to health problems like heart disease, blindness, and kidney failure.

**Risk Factors Associated with Type 2 Diabetes:** It is recommended that students displaying or possibly experiencing the risk factors and warning signs associated with type 2 diabetes be screened (tested) for the disease.

**Risk Factors:** Researchers do not completely understand why some people develop type 2 diabetes and others do not; however, the following risk factors are associated with an increased risk of type 2 diabetes in children:

- **Being overweight.** The single greatest risk factor for type 2 diabetes in children is excess weight. In the U.S., almost one out of every five children is overweight. The chances are more than double that an overweight child will develop diabetes.
- **Family history of diabetes.** Many affected children and youth have at least one parent with diabetes or have a significant family history of the disease.
- **Inactivity.** Being inactive further reduces the body's ability to respond to insulin.
- **Specific racial/ethnic groups.** Native Americans, African Americans, Hispanics/Latinos, or Asian/Pacific Islanders are more prone than other ethnic groups to develop type 2 diabetes.
- **Puberty.** Young people in puberty are more likely to develop type 2 diabetes than younger children, probably because of normal rises in hormone levels that can cause insulin resistance during this stage of rapid growth and physical development.

**Warning Signs and Symptoms Associated with Type 2 Diabetes:** Warning signs and symptoms of type 2 diabetes in children develop slowly, and initially there may be no symptoms. However, not everyone with insulin resistance or type 2 diabetes develops these warning signs, and not everyone who has these symptoms necessarily has type 2 diabetes.

- Increased hunger, even after eating
- Unexplained weight loss
- Increased thirst, dry mouth, and frequent urination
- Feeling very tired
- Blurred vision
- Slow healing of sores or cuts
- Dark velvety or ridged patches of skin, especially on the back of the neck or under the arms
- Irregular periods, no periods, and/or excess facial and body hair growth in girls
- High blood pressure or abnormal blood fats levels

**Type 2 Diabetes Prevention Methods and Treatments:** Healthy lifestyle choices can help prevent and treat type 2 diabetes. Even with a family history of diabetes, eating healthy foods in the correct amounts and exercising regularly can help children achieve or maintain a normal weight and normal blood glucose levels.

- **Eat healthy foods.** Make wise food choices. Eat foods low in fat and calories.
- **Get more physical activity.** Increase physical activity to at least 60 minutes every day.
- **Take medication.** If diet and exercise are not enough to control the disease, it may be necessary to treat type 2 diabetes with medication.

The first step in treating type 2 diabetes is to visit a doctor. A doctor can determine if a child is overweight based on the child's age, weight, and height. A doctor can also request tests of a child's blood glucose to see if the child has diabetes or pre-diabetes (a condition which may lead to type 2 diabetes).

**Types of Diabetes Screening Tests That Are Available:**

- **Glycated hemoglobin (A1C) test.** A blood test measures the average blood sugar level over two to three months. An A1C level of 6.5 percent or higher on two separate tests indicates diabetes.
- **Random (non-fasting) blood sugar test.** A blood sample is taken at a random time. A random blood sugar level of 200 milligrams per deciliter (mg/dL) or higher suggests diabetes. This test must be confirmed with a fasting blood glucose test.
- **Fasting blood sugar test.** A blood sample is taken after an overnight fast. A fasting blood sugar level less than 100 mg/dL is normal. A level of 100 to 125 mg/dL is considered pre-diabetes. A level of 126 mg/dL or higher on two separate tests indicates diabetes.
- **Oral glucose tolerance test.** A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid. A reading of more than 200 mg/dL after two hours indicates diabetes.

Type 2 diabetes in children is a preventable/treatable disease and the guidance provided in this information sheet is intended to raise awareness about this disease. Contact your student's school nurse, school administrator, or health care provider if you have questions.

CONTINUING MEDICATION REGIMEN-EC 49480
The parent or legal guardian of any pupil on a continuing medication regimen for a non-episodic condition shall inform the school nurse or other contact person of the medication being taken, the current dosage, and the name of the supervising physician. With the consent of the parent or legal guardian of the pupil, the school nurse may communicate with the physician and may counsel with the school personnel regarding the possible effects of the drug on the child's physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose.

LMSVSD staff is required by law to report cases of child abuse and neglect to the appropriate law enforcement agency when they have a reasonable suspicion that a child has been a victim of child abuse and/ or neglect. Reasonable suspicion does not require certainty that the child abuse and/or neglect has occurred. The reporting staff member’s name and report are confidential. The fact that a child is homeless or an unaccompanied minor is not, in and of itself, a sufficient basis for reporting child abuse or neglect.

Other means of correction may include: a conference between school personnel, the pupil’s parent or guardian and the pupil; referrals to the school counselor or psychologist; study teams, guidance teams or other intervention-related teams that assess behavior and develop and implement behavior plans; referral for psycho-educational assessment; after-school programs that address specific behavioral issues; and community service on school grounds during non-school hours. A suspension shall be preceded by an informal conference between the principal, the principal’s designee or the district’s superintendent of schools and the pupil, and whenever

California Law Regarding Safe Storage of Firearms

The purpose of this letter is to inform and to remind parents and legal guardians of their responsibilities for keeping firearms out of the hands of children as required by California law. Nationwide, news reports of children bringing firearms to school is all too common. In many instances, the child obtained the firearm(s) from his or her home. These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.

To help everyone understand their legal responsibilities, this letter spells out California law regarding the storage of firearms. Please take some time to review this information and evaluate your own personal practices to assure that you and your family are in compliance with California law.

- California makes a person criminally liable for keeping a loaded firearm, under their custody and control, where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child’s parent or legal guardian and the child obtains access to the firearm and thereby: (1) causes death or great bodily injury to the child or any other person; (2) carries the firearm to a public place, including to any preschool or school grades kindergarten through twelfth grade, including to any school-sponsored event, activity, or performance; or (3) brandishes a firearm to others. The criminal penalty may be greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.¹

- As of 2014, California makes a person criminally liable if they negligently store or leave any loaded firearm on their premises where a child is likely to gain access to it—regardless of whether or not the child brings the gun to a public place.¹

- A parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person’s child or ward. These damages may be up to $30,000 per victim.²

- To keep firearms out of the hands of children, and to avoid potential criminal liability under California Penal Code Section 25100, Gun owners must store firearms in a locked container or secure them with a locking device that renders a firearm inoperable.³

Thank you for helping to keep our children and our schools safe. Please remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device.

Sincerely,

David Feliciano
Superintendent, La Mesa-Spring Valley School District
