District Responses to Requests For Clarification**

RFC No.	Request for Clarification	Responses
01	The RFQ indicates in Section B that “samples of work” are not included in the page count, however, we don’t see samples of work referenced anywhere else in the RFQ. Was this included in error or does the District want to see “samples of work?” If so, can you detail what types of samples you are looking for?	<b>The district is not seeking samples of work in responses to this RFQ.</b>
02	There are 4 forms at the end of the RFQ (pages 16, 17, 18-19, 20) but we cannot find any direction on whether or not these forms are required as part of the consultant’s proposal. Do we need to submit to submit these with our proposal? If so, are they included in the page count?	<b>Pages 16-20 of the RFQ are included as a part of Attachment A of the RFQ which is the sample Agreement. The district is not requesting these forms be completed at this time and instead, they will be required when a contract is issued.</b>
03	The RFQ indicates that tabs are not included in the page count. Can a proposal cover be added without it being included in the page count?	<b>Yes</b>
