- District Update –
  - Assistant Superintendent, Human Resources, Dr. Meg Jacobsen, expressed her pleasure that she was able to go to the CSPCA annual conference in Monterey with Rivera, Junker and Cano. She learned a lot of valuable information especially information about legislation pertaining to Classified layoffs. She was pleased to meet retired Personnel Commissioners and some of the CSPCA leadership. Dr. Jacobson shared that HR and PC will be hosting monthly job fairs on the last Tuesday of each month. She advised the last job fair that was held in February was successful. Dr. Jacobson added, HR is busy cleaning up the certificated side of the house as it is staffing season for the 2022-2023. Although enrollment is down 1400 students district-wide, she is pleased they will not need to layoff any teachers as a result of both the retirement incentive as well as the expansion of TK. Dr. Jacobson also advised they are working on hiring some certificated managers such as; Executive Director, Director and Principals. She is also pleased the Executive Director, Facilities and Maintenance, Christina Becker started last week and she has done an outstanding job in just a few days.
  - Assistant Superintendent, Business Services, Jennifer Nerat, expressed her appreciation for the collaborative effort of PC staff on the Executive Director, Facilities and Maintenance recruitment. Nerat is pleased they have this very important person who will oversee the Bond program and long-range facilities planning on board.

- CSEA Update – Chapter 419 President, Ahmad Swinton
  Carlos Esparza, CSEA, 1ST Vice President spoke in Swinton’s absence. Esparza advised there will be resolution meeting tomorrow for the Paraprofessional classification.

- Personnel Update – Director, Classified Personnel, Andrea Rivera, advised they have concluded the campaign for Classified Employee of the Year and Heather Spruell, ESS Lead Program Assistant, was selected as La Mesa-Spring Valley’s Classified Employee of the year for the 2021-2022 school year. They have forwarded her package to SDCOE to compete at the county level. Rivera added, the entire PC team went out to crash an SVA ESS meeting on March 3rd to personally inform and congratulate Heather on this accomplishment. They are now taking a look at what they can do to honor Heather and all classified site nominees at a PC meeting in the near future.
  In addition, Rivera advised the window to submit Proposals for our Classification and Compensation study closed today and they received two proposals. She is working with Valerie Ranum, Director, Business Services, to start the evaluation phase tomorrow. She asked Chair Martinson, to be on the lookout for an email that contains the proposals as well as an evaluation rubric to complete so they can move forward to interviews.

- Personnel Commissioner Update – Personnel Commissioners
  Commissioner Ridenour advised she attended the 50th anniversary of the CSPCA conference in Monterey. Ridenour expressed her pleasure with the presenters at the workshops she attended. She attended workshops on skelly hearings, workplace investigations, on-boarding and legal updates that in her opinion were very interesting.
9. Information Items

- Tina Cano, HR Specialist, advised they currently have nine active recruitments with all of them being continuous, such as; Paraprofessional-Special Education, Paraprofessional-Preschool, ESS Program Aide, ESS Recreation Attendant and various campus attendant recruitments. She added she is in the process of coordinating performance and oral exams for ESS Lead Program Assistant, School Office Assistant-Bilingual, HR Technician-Substitutes, Library and Learning Resources Technician, and Gardener. Cano added, although most of the oral exams take place via zoom, it has been a challenge to schedule some of the written and performance exams because of limited room availability. She has had to be creative with the spaces that are available and at times negotiate with other departments in order to reserve much needed conference rooms for their exams. However, despite these challenges, they continue to work diligently to create valid eligibility lists for their hiring managers.

- Ali Junker, HR Analyst, acknowledged Cano’s comment regarding the continuous recruitment for Paraprofessional-Special Education with low application submissions. She added that they have now filled 62 vacancies this fiscal year with only 16 currently available to fill. Junker advised that PC staff is working to assist candidates that have several failed attempts at passing the proficiency exam to meet the educational component of the minimum qualification. Cano pulled exam results and Rivera created individualized tutorials. Rivera even tutored individuals in specific areas of mathematics. Junker advised the second candidate success story passed the previous day, and a third the day of the meeting. Junker expressed her excitement for the candidates that have the determination and drive to keep trying; excited for small wins. Junker advised she continues to work on classification studies. She advised she has almost completed a study of a child nutrition worker that works at a non-district site. Junker advised she has continued to work on her salary analysis of the instruction family with challenges of beginning the work with the previous salary schedule and has now had to shift her data to reflect the new increased salary schedule. She advised that she has a few more classification studies to complete. Junker advised she is always excited to participate in the Classified Employee of the Year campaign and is accepting ideas on how to celebrate all of the winners, especially if the Personnel Commission meetings continue to be held remotely.
