Signature Acknowledging that Addenda 1 and 2 are Components of the Agreement:

Hereby, it is known that the information outlined in Addenda 1 and 2 are binding components of the project known as RFP – 22/23 – 002 - “Districtwide Painting Project, Area 4 Schools”. All bidders are required to carefully review and agree to all components of Addenda 1 and 2 and provide a value for the work to be performed based on the specifications therein. In the event that information conflicts, the district shall clarify intended meaning.

Although painting specifications are included herein, note that the color is yet to be determined by the district.

Failure to submit this signature page with other bid documents shall not be reason for a bid to be labeled as non-responsive. However, prior to entering into a formal agreement, any contractor shall submit this signature page acknowledging that Addenda 1 and 2 are components of the agreement.

I acknowledge that I have received and reviewed addenda 1 and 2 of RFP 22/23 – 002 and acknowledge that the specifications listed therein are known to me, are part of the bid my company has made, and are binding components of the work that I shall do, if selected as the contract awardee.
