

School Year: **2023-24**

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
La Presa Elementary School	37-68197-6038509	May 24, 2023	June 20, 2023

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

- Schoolwide Program
- Additional Targeted Support and Improvement

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Our School Plan for Student Achievement (SPSA) aligns with the District's Local Control Accountability Plan (LCAP) as each goal (and its associated strategy(ies)/activity(ies) can be referenced in the current LCAP. The district's LCAP is the foundation for all expenditures incurred by the District. Based on the needs assessment and goals found in the LCAP, the school will utilize federal funds, when applicable, to supplement base funding in accordance with the purpose and goals of each specific goal. Federal funds, if received, will be used as outlined in the School Plan for Student Achievement to purchase supplemental materials not part of the adopted standards aligned curriculum and core base programs.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Our school's comprehensive needs assessment included the solicitation of input and feedback from our educational partners (parents, teachers, staff, etc.). Our 2022-23 Annual Parent Survey was distributed to gather data regarding the climate and safety of the school and to solicit input about the strengths and areas for growth of the many programs and services we offer. Data from these surveys is included throughout our 2023-24 SPSA.

Consultations and connections with our educational partners took place through in-person meetings, virtual Zoom meetings, online surveys, phone conversations, and student home visits (when possible) and allowed us to assess our educational program, academic interventions, social-emotional and behavioral supports, parent engagement, and school connectedness.

Surveys sent in preparation for or during the 2022-23 school year included (but were not limited to) topics such as :

- Support for academic learning
- School safety
- Belonging in the school Community

Parent data indicated a need for more support to address bullying amongst students. Parents also shared that school safety is a priority to them and that the school should have cameras installed for safety and supervision purposes. Parents also shared that students need to be challenged and asked for more rigor in the area of math. Teacher data expressed the desire for more training and direction in the area of collaborative conversations to increase student thinking and expression. Teachers also shared the need to allow more time to continue the work in the area of comprehension and informational text this coming school year.

The Extended School Services (ESS) program, which provides before and after school childcare in an academic and recreational setting, distributes annual parent surveys to participating families at all twenty-one (21) La Mesa-Spring Valley School District sites. The primary goal of the parent survey is to collect and understand parent opinions, perspectives, attitudes, and perceptions of the ESS team members, the services provided, and the general environment. Results are shared with all ESS employees and action plans are developed and put into place to assist in achieving improvement goals for continuous quality improvement.

This year's data revealed that 98% of the district families surveyed feel that ESS provides a safe and happy environment for children, that the program provides expanded learning opportunities that their students enjoy (ESSPN Sports League, cheer, dance, robotics, fine and performing art classes, etc.), and that the ESS staff communicate and interact positively with children. A highlight from this year's survey was the feedback on ESS staff and ESS parent communication. 99% percent of parents surveyed stated that they know that if they have a question or concern that they can speak with an ESS staff member about it. Continued opportunities for growth include additional support for student homework completion.

Our school will continue to solicit input and feedback from our educational partners during the 2023-24 school year and utilize the data to improve the work that we are doing in support of our students, families, and staff.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

District/Site Collaborative Walks:

To collect district or school-wide evidence of progress in the implementation of the SPSA and principal goals – to build coherence, identify strengths, areas for growth, and next steps for professional learning, student support, and teaching and learning across the system.

Principal Cohort Walks:

To build a common language and understanding of high quality teaching and learning through inquiry and to build a collaborative network that provides feedback and suggestions to the school on a focus area.

Formal Classroom Observations:

To evaluate a teacher's performance as outlined by the teacher evaluation document and association contract. These are observation cycles that include both formal and informal observations with feedback meetings.

Daily principal Observations:

To monitor daily instructional practices in order to coach teachers, provide targeted feedback and support, and collect evidence on the professional development needs of staff.

Peer Observations:

Ghost walks and peer-to-peer observations provide organized processes for viewing a school's classrooms and/or halls to collect evidence about how well school improvement efforts are being implemented, emphasizing what we can learn from each other.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Through Professional Learning Communities (PLCs), teachers analyze both state yearly assessments and district benchmark assessments taken at specific intervals throughout the year. Teachers set goals and modify adopted curriculum and instruction to address students' needs in both classroom instruction and Response to Intervention (RTI) groupings and topics.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teachers use curriculum-embedded unit, weekly, and daily assessments to monitor student progress toward mastering grade level standards. Formative assessments lead to modifications in instruction to meet the needs of students.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

Staff at our school site meet the requirements for being highly qualified.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers and counselors at our school site are properly credentialed.

All teachers will participate in site-based staff development that takes place 1-2 times a month. We believe that building teacher capacity needs to be systematic and collaborative. Professional development is supported with daily interactions with and feedback from the principal. Individuals and collaborative teams identify areas of focus based on student need and site priorities which include: comprehension of grade level informational text, collaborative conversations, and vocabulary/language development.

Additionally, teachers are required to attend four hours of professional learning outside of their work day (per an MOU with LMSVTA) that is offered through the district Content Leads, TOSAs, San Diego County Office of Education, and other outside agencies. The district Professional Learning Program has an extensive calendar of offerings that are provided online, face-to-face, and through a blended format. Professional development courses in 22-23 included:

Newcomer 101 (to support our newest English Learners)

Intro to Google Classrooms

Project Based Learning

Math Expressions: Getting Started

Environmental Literacy for Social Studies

Daily 5 Routine for Running Small Group Rotation

Amplify: Analyzing Student Work

High Leverage ELD Strategies

Number Talks and Dot Talks

Supporting Diverse Learners

Virtual Manipulatives in Math Instruction

Minimizing Math Anxiety

Redefining Classroom Management

Social Emotional Learning in PE

Informational Text in PE

Supporting students with foundational reading skills through SIPPS (Systematic Instruction in Phonological Awareness, Phonics and Sight Words) training

Regardless of the learning format, our educators are eager to engage in professional development, and the District is committed to providing them with many tools, strategies, and training to support all learning models.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff development is provided to teachers and other staff to address the identified needs of our students. It is aligned to California Core Content Standards and CASEL Social Emotional Learning (SEL) competencies as appropriate. Areas of need are identified by student achievement data, student SEL surveys, educational partners' input, and observed areas of need. Growth and improvement are measured through principal classroom walkthrough data and student performance. Needs assessments and feedback are elicited in conjunction with each professional growth offering. Based on the feedback, professional growth is adjusted to increase effectiveness. The District is intentional about providing a through line of professional learning that targets the professional growth of new teachers, developing teachers, teacher leaders, new administrators, and veteran administrators.

Staff development focuses on:

- Cultural proficiency and educational equity
- Use of local assessments to inform and modify instruction
- District wide targeted instructional area of comprehension of informational text
- Framework for Powerful Learning
- Data driven decision making
- Development of strong PLCs and Instructional Leadership Team
- Supporting the whole child in academics, behavior, social emotional learning and mental health

Site level professional development includes site learning day presentations and PLC work. Teachers work collaboratively to plan instruction based on essential standards, reflect on lessons, and analyze student work and assessment data, to improve their practice and increase student achievement. Staff development at our school site in the 2023-24 school year will focus on comprehension of grade level informational text, review of essential standards, and formative assessment.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Site-based professional development, grade-level collaboration, principal observation, and feedback/coaching provide on-going assistance and capacity building for teachers. Response to Intervention support (Resource Teacher, Teachers on Special Assignment, and Special Education support staff) all support classroom instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Each grade-level/department at our school has regularly scheduled meetings to collaborate on the analysis of data, lesson design, and the use of instructional strategies and best practices that work to improve student achievement and performance. Each meeting is designed in professional learning community (PLC) format where each member takes a leadership role and an expectation of reflective conversations around data analysis, program effectiveness, and "moving the needle" toward student success and achievement. Professional learning communities allow for an ongoing process in which educators work collaboratively in recurring cycles of collective inquiry and action research to achieve better results for the students they serve. Professional learning communities operate under the assumption that the key to improved learning for students is continuous job-embedded learning for educators.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Following the state adoption cycles, the district-provided curriculum materials and instruction are in alignment with the California Content Standards.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes in all subject areas are monitored by the District. All teachers turn in their classroom schedule to school administration to ensure adherence to the District guidelines.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Essential Standards in math and language arts provide a framework for lesson pacing. All students have a copy of each textbook and/or workbook for core curriculum. Student daily schedules are modified to allow for intervention as needed.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Each classroom and student has easy access to adopted curriculum assigned to them in all content areas. The adoption of instructional materials process includes a preview to determine that they are appropriate for the student groups for whom they are purchased.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All students have State Board of Education adopted materials for their courses, intervention materials (when needed), and access to standards-aligned core courses. Use of materials is monitored by school administration on a daily basis.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

All students receive Common Core standards-based instruction at their appropriate grade level. In classrooms, teachers provide additional access to the curriculum through small group instruction. In ELD classes, students are grouped by instructional level, and are assessed and regrouped appropriately. Teachers are required to examine student work samples and meet in subject specific and/or department-level meetings to ensure that students are mastering standards. They also determine student needs, adjust instruction, and plan re-instruction accordingly. Intervention action plans are developed when appropriate. The Student Study Team process is used to identify and monitor students at risk. Interventions are agreed upon and implemented by the classroom teacher in collaboration with the student's family.

Evidence-based educational practices to raise student achievement

Information from state assessments (when available), I-Ready data in math and reading, CORE social emotional learning survey (grades 4-8), common assessments, benchmark assessments, needs assessments and surveys, and staff development provide the basis for School Site Council and administrative planning. The use of data to modify and drive instruction with effective evidence-based instructional strategies is our major focus to raise student achievement.

In 2023-24, the following evidence-based educational practices will be employed and focused on to increase and improve student achievement across the campus and across all disciplines:

Professional Learning Communities (PLC)
Positive Behavior Interventions and Supports (PBIS)
Multi-tiered Systems of Support (MTSS)
Second Step Curriculum for Social-Emotional Learning
i-Ready
Achieve 3000
SIPPS

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Opportunities are provided throughout the year so that families can learn to support their children academically and behaviorally.

To support successful school and family interactions, the district is committed to engaging parents through:

- Parent education workshops provided by district staff and local community agencies
- The use of multiple methods of communication (flyers, phone calls, district/school websites) to promote participation
- The continuance of School Site Councils and English Learner Advisory Committees at each site who send a representatives from each site to the district-level parent advisory committees, known as the District Parent Advisory Committee
- The distribution of a district-wide parent survey with disaggregated results for each site that can lead to improved results
- The maintenance of a district website with current resources available to parents to support them in working with their children's academic, social, and emotional needs
- Enhancing the awareness and skills of teachers, principals, and staff in reaching out to, communicating with, and working with parents as equal partners

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

All educational partners (parents, community members, teachers, and other school personnel) have an opportunity to give input on the use of federal funds (as applicable) and the implementation of programs. Specifically, at our school site, the members of the School Site Council (SSC) and the English Language Advisory Council (ELAC) meet to discuss these matters directly with each other. The District holds monthly educational partners' meetings with parents (DPAC District Parent Advisory Committee) where district programs are discussed. In addition, the District holds meetings throughout the year with other educational partners (classified staff, certificated staff, administrative staff) to obtain input about district programs.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

- Credentialed Reading Intervention Specialist Teacher
- Title I Parent Engagement funds will be used to offer additional family support (resources, education, counseling/community referrals) provided by a credentialed social worker.

Fiscal support (EPC)

Our school receives Title I money based on the number of pupils in our school who qualify for free and reduced meals.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Feedback and input from key educational partner groups are critical for the ongoing success of our students. As part of the planning process for the 2023-24 School Plan for Student Achievement (SPSA), school leadership met with the School Site Council (SSC) and the English Learner Advisory Committee (ELAC). Achievement data (local and state, if available) was shared with these groups and analyzed for trends and patterns of under-performance. That analysis is summarized in the SPSA as the Annual Review for each goal.

School educational partner involvement meeting dates were as follows:

- ELAC #3 Meeting, April 21, 2023 at 8:30 am
- SSC # 4 Meeting, April 19, 2023 2:45 pm; SSC #5 Meeting, May 24, 2023 at 2:45 pm.
- Staff Meetings where the 2023-24 SPSA goals and metrics were discussed: May 4, 2023 and May 25, 2023.
- Other meetings where the 2023-24 SPSA goals and metrics were discussed (PTA): May 19, 2023 at 2:45 pm

Feedback from these meetings resulted in the development of goals to be included in the SPSA (Planned Improvement Goals). The district Local Control Accountability Plan (LCAP) was also reviewed to ensure that the Planned Improvement goals of the SPSA aligned with the goals outlined in the district's LCAP.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Our needs assessment involved a review of our SBAC and dashboard data (where available) as well as our current academic data, parent survey results, chronic attendance rates, and student survey results. When we look at our data compared to our actions and services, we noted the following resource inequities:

An inequity was noted amongst our students with disabilities which may have been caused by staffing concerns. Due to the ongoing pandemic, we have had staffing shortages noted since the 2021-2022 school year. We had a high number of teachers and attendants report absences due to illness throughout the 2022-2023 school year. This created a problem as coverage for these employees was a challenge due to a shortage of temporary employees (substitutes) in the district. This staffing concern may have impacted our ability to provide the support to our students.

A second inequity noted was the high suspension rate amongst African American students at La Presa Elementary. Currently, there are 372 students enrolled at La Presa Elementary. There are a total of 30 African American students enrolled at La Presa Elementary. According to suspension report data, two African American students were suspended during the 2022-2023 school year.

A third inequity noted was the chronic absentee rate in two of our subgroups: 1) Students with disabilities and 2) African American students. This could have been caused by the ongoing pandemic and the health protocol that students must follow if they are feeling sick. We also have many students with disabilities who have medical conditions and are at higher risk of transmission. Medical documents are on file for these students.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	%	%	0.27%			1
African American	10.2%	7.87%	8.06%	41	30	30
Asian	1.0%	1.05%	1.08%	4	4	4
Filipino	7.2%	6.04%	5.65%	29	23	21
Hispanic/Latino	68.1%	71.39%	69.89%	275	272	260
Pacific Islander	%	0.26%	0.27%		1	1
White	7.7%	7.09%	8.33%	31	27	31
Multiple/No Response	5.9%	6.30%	6.45%	24	24	24
	Total Enrollment			404	381	372

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	62	53	44
Grade 1	50	62	56
Grade 2	58	50	61
Grade 3	59	58	48
Grade 4	58	57	61
Grade 5	54	54	51
Grade 6	63	47	51
Total Enrollment	404	381	372

The conclusions based on this data

- Overall student enrollment has decreased by about 20-25 students over the last three years.
- Grade level enrollment has mirrored overall student enrollment as there has been a decrease over the last three years.
- Kindergarten enrollment in the 22-23 school year was low in comparison to previous years which will impact 1st grade classroom projections.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	111	118	111	27.50%	31.0%	29.8%
Fluent English Proficient (FEP)	46	44	45	11.40%	11.5%	12.1%
Reclassified Fluent English Proficient (RFEP)	26		14	23.4%		10.7%

The conclusions based on this data

1. Overall, English Learner enrollment at LPE has been consistent over the last three years.
2. Overall, fluent English proficient enrollment has stayed consistently the same over the last three years at LPE.
3. Overall, the number of students who were reclassified fluent English proficient (RFEP) was lower in 2022-2023 when compared to the 2020-2021 school year.

2022-23 Annual Review

Goal Subject

English Language Arts

LEA/LCAP Goal

Goal 1 - ACHIEVE - We will increase achievement for all of our students while decreasing performance gaps and educational inequities. (State Priority 4-Pupil Achievement, 8-Other Pupil Outcomes)

Goal 1

Statewide Assessments:

The percentage of all students in Grades 3-6 meeting standard on SBAC (ELA) will increase from 33.82% to 36.82%.

The percentage of English Learners in Grades 3-6 meeting standard on SBAC (ELA) will increase from 24.62% to 32.62%.

The percentage of socioeconomically disadvantaged students in Grades 3-6 meeting standard on SBAC (ELA) will increase from 32.04% to 40.04%.

The percentage of students with disabilities in Grades 3-6 meeting standard on SBAC (ELA) will increase from 2.78% to 10.78%.

Local Assessments:

The percentage of all students in Grades K-6 scoring at or above grade level on i-Ready (ELA) will increase from 36% to 40%.

The percentage of English Learners in Grades K-6 scoring at or above grade level on i-Ready (ELA) will increase from 29% to 37%.

The percentage of socioeconomically disadvantaged students in Grades K-6 scoring at or above grade level on i-Ready (ELA) will increase from 35% to 43%.

The percentage of students with disabilities in Grades K-6 scoring at or above grade level on i-Ready (ELA) will increase from 9% to 17%.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

This past year our focus was in the area of comprehension and informational text. We held six professional learning sessions and provided our teachers the opportunity to meet for additional PLC time to review data and to plan their learning cycles. We also allowed our teachers an opportunity to conduct peer/classroom observations amongst cross level grades. We implemented WIN (What I Need) time for our students in grades K-6th and allowed for students to work in small groups. These groups were formed using data collected from I-Ready and Literbly. The focus for some students was in the area of phonemic awareness and phonics using the PHONICS and SIPPS program. In addition to WIN time, students also worked with our reading specialist teacher once a day. Other groups of students focused on vocabulary and language development by practicing an additional close reading article with their classroom teacher.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Our school conducted four I-Ready assessments during the 21-22 school year in comparison to other schools in the district who only took three. It was a great benefit for our school to have taken the I-Ready assessment four times last school year as this gave us a whole year's worth of data from the beginning of the school year to the end. This year, our school will only do three assessments on I-Ready. The scores at the end of the school year in 2021-2022 were much more higher than the scores we obtained at the beginning of this school year. What we learned from I-Ready is that students were assessed using current grade level standards at the beginning of the school year. This could have attributed to the decrease on I-Ready scores when comparing end of the school year data from last year to beginning of the school year data from this year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Our school district will now be using Trimester 2 I-Ready Data Analysis to compare yearly academic growth for our students when compared to the previous school year when our school district used Trimester 3 I-Ready data to measure student annual academic growth. The other change this school year is that La Presa Elementary is only going to administer the I-Ready assessment three times this year when compared to last school year when we administered it four times.

2022-23 Annual Review

Goal Subject

Math

LEA/LCAP Goal

Goal 1 - ACHIEVE - We will increase achievement for all of our students while decreasing performance gaps and educational inequities. (State Priority 4-Pupil Achievement, 8-Other Pupil Outcomes)

Goal 2

Statewide Assessments:

The percentage of all students in Grades 3-6 meeting standard on SBAC (Math) will increase from 28.50% to 31.50%.

The percentage of English Learners in Grades 3-6 meeting standard on SBAC (Math) will increase from 11.76% to 19.76%.

The percentage of socioeconomically disadvantaged students in Grades 3-6 meeting standard on SBAC (Math) will increase from 27.87% to 35.87%.

The percentage of students with disabilities in Grades 3-6 meeting standard on SBAC (Math) will increase from 2.78% to 10.78%.

Local Assessments:

The percentage of all students in Grades K-6 scoring at or above grade level on i-Ready (Math) will increase from 32% to 35%.

The percentage of English Learners in Grades K-6 scoring at or above grade level on i-Ready (Math) will increase from 24% to 32%.

The percentage of socioeconomically disadvantaged students in Grades K-6 scoring at or above grade level on i-Ready (Math) will increase from 32% to 40%.

The percentage of students with disabilities in Grades K-6 scoring at or above grade level on i-Ready (Math) will increase from 12% to 20%.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

This year we were given an opportunity to provide after school tutoring for students in the area of Math. Two of my thirteen teachers agreed to provide this support to our students. Classroom teachers also provided small group support to students during the instructional day. Our upper grade team did focus on using close reading strategies with their students in this area. Our Kindergarten teachers were able to complete a full learning cycle with our Instructional Data Support teacher using the practice of close reading in the area of math.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

As a school we focused more in the area of language arts and provided more support to students in this area. We will focus more on math intervention support for our students in the coming school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Our school district will now be using Trimester 2 I-Ready Data Analysis to compare yearly academic growth for our students when compared to the previous school year when our school district used Trimester 3 I-Ready data to measure student annual academic growth. The other change this school year is that La Presa Elementary is only going to administer the I-Ready assessment three times this year when compared to last school year when we administered it four times.

2022-23 Annual Review

Goal Subject

Student Engagement

LEA/LCAP Goal

Goal 2 - ENGAGE - We will engage our students and the learning community in order to ensure the skills and supports necessary for social, emotional, and physical well-being. (State Priority 3-Parent Involvement, 5-Pupil Engagement, 6-School Climate)

Goal 3

The percentage of students who are chronically absent from school will decrease by 19% to 35%.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

This year due to the continued pandemic, we continued to have attendance concerns. Students who came in close contact or were not feeling well at school were sent home and asked to follow Covid-19 protocols. As a team here at La Presa, we (school social worker, attendance clerk, and school principal) reviewed attendance reports monthly and conducted several visits to homes where we had the most significant attendance concerns. We provided two parent presentations during the school year on the importance of attending school. Power point presentations were emailed to parents who could not attend the workshop.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Due to the ongoing pandemic, we continued to have many parents report that their students were sick. Parents did not want to send their students to school under these conditions.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will be adding a metric and a goal to our African American and students with disabilities for closer monitoring of their attendance.

2022-23 Annual Review

Goal Subject

School Climate & Culture

LEA/LCAP Goal

Goal 2 - ENGAGE - We will engage our students and the learning community in order to ensure the skills and supports necessary for social, emotional, and physical well-being. (State Priority 3-Parent Involvement, 5-Pupil Engagement, 6-School Climate)

Goal 4

The percentage of students who respond favorably will increase to the following percentages in each domain:

Culture/Climate - 88%
Growth Mindset - 75%
Self-Management- 85%
Self-Efficacy- 60%
Social Awareness- 80%

The percentage of parents who respond favorably will increase to the following percentages in each domain:

Support for Academic Learning - 93%
Sense of Community - 91%
Sense of Safety - 94%

The percentage of students suspended will decrease to .5%.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

This year our school was assigned a school social worker three days a week who provided individual and small group counseling to students. Our school social worker created a needs assessment that was shared with classroom teachers at the beginning of the school year and from there, our social worker was able to determine the level of need to determine the counseling support. Our school social worker also provided classroom presentations to students in Kinder through 6th grade with a focus on; conflict resolution, appropriate peer interaction, grief/loss, and social/life skills. With the help of our school social worker, our school participated in the Safe Schools Ambassadors Program where twenty students in grades 5-6 were selected and trained to deal with conflict resolution. We are excited to hear that our school will be assigned a five day (full

time) school social worker for the 23-24 school year. We are also excited about continuing the Safe Schools Ambassadors Program for the 23-24 school year.

Our school was part of a grant (Early Mental Health Initiative) funded by the County of San Diego Health and Human Services which allowed for a special counseling and parenting program that served students in grades K-3. This program offered early mental health intervention services to our students by a licensed mental health clinician and a parent advocate called a promotora. This program was able to serve about 85 students this school year and also provided support to their families. This program also provided classroom presentations to our students in Kinder through 3rd grade and talked about anxiety and stress and provided coping strategies to our students.

Lastly, our school partnered with City of Hope, a non profit agency that provided a counselor to our school once a week. This counselor provided grief and loss counseling to any student needing this support throughout the school year.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There were no major differences between the intended implementation and/or the budgeted expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will focus on "Connecting to School" this coming school year by developing The LION P.R.I.D.E which will encompass; academic, social emotional well-being, character development, and attendance for all of our students at La Presa Elementary. We will measure this outcome by using state performance data, parent survey data, and student/teacher survey data. We will be adding a goal and metric to help decrease the suspension rate of our African American students at LPE.

2023-24 Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

English Language Arts

LEA/LCAP Goal

Goal 1 - ACHIEVE - We will increase achievement for all of our students while decreasing performance gaps and educational inequities. (State Priority 4-Pupil Achievement, 8-Other Pupil Outcomes)

Goal 1

Statewide Assessments:

The percentage of all students in Grades 3-6 meeting standard on SBAC (ELA) will increase from xx to xx (minimum of 3% increase).

The percentage of English Learners in Grades 3-6 meeting standard on SBAC (ELA) will increase from xx to xx (minimum of 8% increase).

The percentage of socioeconomically disadvantaged students in Grades 3-6 meeting standard on SBAC (ELA) will increase from xx to xx (minimum of 8% increase).

The percentage of students with disabilities in Grades 3-6 meeting standard on SBAC (ELA) will increase from xx to xx (minimum of 8% increase).

Local Assessments:

The percentage of all students in Grades K-6 scoring at or above grade level on i-Ready (ELA) will increase from 12% to 15% (minimum of 3% increase).

The percentage of English Learners in Grades K-6 scoring at or above grade level on i-Ready (ELA) will increase from 5% to 13% (minimum of 8% increase).

The percentage of socioeconomically disadvantaged students in Grades K-6 scoring at or above grade level on i-Ready (ELA) will increase from 10% to 18% (minimum of 8% increase).

The percentage of students with disabilities in Grades K-6 scoring at or above grade level on i-Ready (ELA) will increase from 3% to 11% (minimum of 8% increase).

Identified Need

Students in all grades (including target groups) will demonstrate increased proficiency on state and district assessments

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
SBAC ELA Assessment - % of students meeting standard (Grades 3-6)	<p>ALL students, Grades 3-6 - XX%</p> <p>English Learners, Grades 3-6 - XX%</p> <p>Socioeconomically Disadvantaged Students, Grades 3-6 - XX%</p> <p>Students with Disabilities, Grades 3-6 - XX%</p>	<p>ALL students, Grades 3-6 - XX%</p> <p>English Learners, Grades 3-6 - XX%</p> <p>Socioeconomically Disadvantaged Students, Grades 3-6 - XX%</p> <p>Students with Disabilities, Grades 3-6 - XX%</p>
i-Ready ELA Assessment - 12% of students at or above grade level (All grades)	<p>ALL students - 12%</p> <p>English Learners - 5%</p> <p>Socioeconomically Disadvantaged Students - 10%</p> <p>Students with Disabilities - 3%</p>	<p>ALL students - 15%</p> <p>English Learners - 13%</p> <p>Socioeconomically Disadvantaged Students - 18%</p> <p>Students with Disabilities - 11%</p>

Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

We will implement a school wide system of differentiated instruction and interventions to meet the needs of all students.

- Grade level teams will engage in lesson reflection and use of formative assessment data to monitor student progress and to plan re-teaching and intervention to ensure mastery of ELA and Math essential standards.
- Grade level teams will plan and implement Tier 2 interventions for students not mastering essential ELA and Math Standards.
- All K-3 students will participate in daily small group reading instruction. Students in grades 4-6 reading at or above grade level will meet with the teacher two times a week at minimum. Students in grades 4-6 reading below grade level will meet with the teacher for small group reading daily.

Progress will be monitored using Literably.

- Teachers will utilize strategies and resources, including those from the ELA toolkit, to ensure centers and or independent work during small group reading rotations is rigorous, standards aligned, and appropriately differentiated to ensure meaningful engagement.
- SBAC and I-READY data will be analyzed by school staff to determine placement in intervention programs (PHONICS, SIPPS, Lexia, FLEX) with initial placement made in August of the new school year and reviewed every six weeks (Tier 3 WIN time) and or after each program benchmark

assessment.

- Students in grades 5-6 will participate in ACHIEVE 3000 to help support in comprehension and informational text. Monthly data will be collected to determine progress and to determine Lexile levels of each student. Teachers will attend two trainings; one at the beginning of the school year and a second in the middle of the school year to review progress of the program. Data collected from this program will be shared with teachers, school principal and instructional data support teacher during our monthly instructional focus planning days at our school.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
133,730.73	Title I 1000-1999: Certificated Personnel Salaries Reading Specialist Teacher to support with school wide reading intervention program for grades K-6th. This teacher will also provide additional small reading groups throughout the day so that students struggling in the area of reading may receive two doses of reading intervention per day.
3800	Title I 5000-5999: Services And Other Operating Expenditures Achieve 3000 to help support students in grades 4-6th in the areas of comprehension and informational text.
1299	LCFF 0000: Unrestricted Pebble Go (Online encyclopedia app for students in all grade levels to use for research.
500	LCFF 0000: Unrestricted Raz Kids reading app used as an intervention for SDC and SAI students.
1485.00	LCFF

	0000: Unrestricted Accelerated Reader (AR) used as additional reading tool for all students.
5000	LCFF 0000: Unrestricted Professional Development money set aside for teacher/staff training.
5700	LCFF 0000: Unrestricted Achieve 3000 to help support students in grades 4-6th in the areas of comprehension and informational text.

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

Students with Disabilities

Strategy/Activity

Our SPED teachers will attend PLC meetings with general education teachers two times per month. Our SPED teachers will provide an extra 30 minutes of phonics and phonemic awareness support (4 times per week) to our students with disabilities using the SIPPS program. SPED teachers will participate in a six to nine week learning cycle (twice per year) with our Instructional Data Support teacher next school year with a focus on basic reading skills and writing.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Source(s)

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

English Learner Students

Strategy/Activity

School principal will review English learner data for trends and patterns and share information with classroom teachers during weekly PLC meetings. We will use our Reading Specialist to provide an extra 30 minutes a day of reading support to this group of students. We will also work with our ELOP Intervention/SIPPS teacher and monitor their progress every two weeks in this program. At our ELAC meeting, we will discuss ways in which parents can support us with their students at home. Our school social worker and school principal will put together at least two presentations for this group of parents on how they can support students at home.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

2023-24 Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Student Engagement

LEA/LCAP Goal

Goal 2 - ENGAGE - We will engage our students and the learning community in order to ensure the skills and supports necessary for social, emotional, and physical well-being. (State Priority 3-Parent Involvement, 5-Pupil Engagement, 6-School Climate)

Goal 3

The percentage of students who are chronically absent from school will decrease by 1% each year.

Identified Need

Establishing a climate of respect, belonging, connectedness and safety for our students is critical to their success and their overall wellness. Consistent, supported attendance at school is the first step in ensuring student engagement.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Rate of Chronic Absenteeism	In 2022-2023, La Presa Elementary rate of chronic absenteeism was 41.9%.	In 2023-2024, La Presa Elementary will reduce its rate of chronic absenteeism by 1% to 40.9%.
Rate of Chronic Absenteeism for Students with Disabilities	In 2022-2023, La Presa Elementary rate of chronic absenteeism was 49.19% .	In 2023-2024, La Presa Elementary will reduce its rate of chronic absenteeism by 1% to 48%.
Rate of Chronic Absenteeism for African American students.	In 2022-2023, La Presa Elementary rate of chronic absenteeism was 26.7%.	In 2023-2024, La Presa Elementary will reduce its rate of chronic absenteeism by 1% to 25%.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

At La Presa Elementary we will decrease our chronic absentee rate from 41.9% to 40.9%

- We will utilize our school social worker to help engage our families who have chronic absences.
- With the help of our school social worker, we will provide more outreach and home visits to help families get their students to school.
- With the help of our school social worker, we will provide in service and parent trainings/workshops on the importance of attending school.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

1000-1999: Certificated Personnel Salaries
Social Worker Support (district funded)

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

African American and Students with Disabilities

Strategy/Activity

The attendance clerk will provide weekly attendance reports of African American students and students with disabilities to the school principal for monitoring purposes. Bi-weekly check in (one on one) with African American and Students with Disabilities who have attendance concerns will be provided by the school social worker, attendance clerk or school principal. For students with disabilities, an attendance report will be provided to parents at their annual IEP meeting. If students in this group have significant attendance concerns, discussion will be held and a goal may be drafted to help support getting these students to school on a regular basis.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

2023-24 Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

School Climate & Culture

LEA/LCAP Goal

Goal 2 - ENGAGE - We will engage our students and the learning community in order to ensure the skills and supports necessary for social, emotional, and physical well-being. (State Priority 3-Parent Involvement, 5-Pupil Engagement, 6-School Climate)

Goal 4

Student survey results will demonstrate an increase in the students who respond positively in each of these five domains:

- Culture/Climate
- Growth Mindset
- Self-Management
- Self-Efficacy
- Social Awareness

Parent survey results will demonstrate an increase of parents who respond positively in these areas:

- Support for Academic Learning
- Sense of Community
- Sense of Safety

The number of students suspended will decrease from 1.93% to 1.88% (minimum of .5%).

The number of African American students suspended will decrease from 14.7% to 5%.

Identified Need

Establishing a climate of respect, belonging, connectedness and safety for our students is critical to their success and their overall wellness. We are committed to prioritizing our students' social-emotional and mental health as well as their academic success.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
SEL Student Survey Results (4th, 5th, 6th, 7th, 8th grade)	<p>The percentage of students who responded favorably in the domains listed below are as follows:</p> <ul style="list-style-type: none"> Culture/Climate - 77% Growth Mindset - 68% Self-Management- 55% Self-Efficacy- 50% Social Awareness- 61% 	<p>The percentage of students who respond favorably will increase to the following percentages in each domain:</p> <ul style="list-style-type: none"> Culture/Climate - 80% Growth Mindset - 71% Self-Management- 58% Self-Efficacy- 53% Social Awareness- 64%

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Annual Parent Survey Results	<p>The percentage of parents who responded favorably in the domains listed below are as follows:</p> <p>Support for Academic Learning - 92%</p> <p>Sense of Community - 91%</p> <p>Sense of Safety - 86%</p>	<p>The percentage of parents who respond favorably will increase to the following percentages in each domain:</p> <p>Support for Academic Learning - 95%</p> <p>Sense of Community - 94%</p> <p>Sense of Safety - 89%</p>
Suspension Data	<p>The suspension rate for La Presa Elementary for the 2022-2023 school year is 1.93%</p> <p>The suspension rate for African American students at La Presa Elementary for the 2022-2023 school year is 14.7%.</p>	<p>The percentage of students suspended will decrease to 1.88%% (minimum of .5% decrease)</p> <p>The percentage of African American students suspended will decrease to less than 5%.</p>

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students, especially our groups we are monitoring for ATSI

Strategy/Activity

- *School social worker to provide staff with resources on how to increase student self-efficacy.
- *Monthly character traits.
- *Daily morning character square.
- *With the help of our Instructional Data Support Teacher, classroom teachers will conduct weekly check ins to monitor and review student progress on individual learning goals.
- *Develop the LION P.R.I.D.E. which will encompass character development and an anti bullying campaign to help students feel safe and comfortable here on our campus.
- *In order to decrease the suspension rates amongst African American students at La Presa Elementary, we will work on restorative conversations with our students and use restorative practices so that students have an opportunity to understand how their actions may have impacted others. We will work closely with parents and community members to support the need of our students. Our school social worker will also provide weekly support to students who need additional social and emotional support.

Proposed Expenditures for this Strategy/Activity

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members

Role

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
	English Learner Advisory Committee
	Special Education Advisory Committee
	Departmental Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 5/24/2023.

Attested:

	Principal, Eddie Iriqui on 5/24/2023
	SSC Chairperson, Jessica Castro on 5/24/2023

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**asurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs
