Preschool Program

Thank you for your interest in the La Mesa-Spring Valley Schools Preschool Program. Attending preschool prior to kindergarten gives students a tremendous advantage. We offer a balanced preschool program that supports all children to achieve social, emotional, and academic success.

La Mesa-Spring Valley Schools offers part-day preschool opportunities to 3 and 4 year old children in both State Preschool (qualifying families) and SmartSteps (fee-based) programs. Priority is given to La Mesa-Spring Valley residents and in accordance with state guidelines. If your child has a current IEP and your family is over income guidelines, you may apply. Children must be able to toilet independently.

State Funded Preschool

La Mesa-Spring Valley School District offers State Funded Preschool at various district elementary schools. State Funded preschool is free for qualifying families. Children are enrolled based on income and other eligibility criteria according to the priority established and monitored by the State of California. Students attend class 5-days a week for three hours per day.

SmartSteps Fee-Based Preschool

La Mesa-Spring Valley School District offers SmartSteps, a fee-based, part-day, preschool program for families that do not qualify for State Funded Preschool. Children can attend two or three days per week for a fee at Maryland Ave Elementary School in the P.M. Children can also enroll for five days a week at all State Preschool locations. The School has the responsibility for the welfare of the child during the school day, but can only function according to the law when properly informed. If parents of a child are separated, the school district must be informed (1) who has custody of the child and, (2) what person or persons are approved to see the child or to transport the child away from school. If there is a restraining order in effect denying either of the parents the right to see or contact the child, there **must** be a court order on file in the school office. The courts must handle custody disputes. **The school has no legal jurisdiction to refuse a biological parent access to their child and/or their school records.**

The only exception is when a signed restraining order or proper divorce or custody papers specifically stating court ordered visitation limitations are on file in the school office. Should any such situation become a disruption to the school, the Sheriff's Office will be contacted and an Officer will be requested to intervene.

The school will attempt to contact the custodial parent when another parent or person not listed as an emergency contact attempts to pick up your child.

I have read and understand the above statement.

PARENT PERMISSION FOR VISION AND HEARING SCREENING

UCSD staff will be screening your child's vision and hearing status at their school. To screen their vision staff will use a hand held auto-refractor camera and for hearing they will use an OAE, both are non-invasive and kid friendly. This screening will alert us to serious vision problems as well as a simple need for glasses. The screening will take only a few minutes and be completed in class. You will be notified of the results.

If you wish to have your child included in these screenings, please sign below.

School Entry Health Exam Requirement

Early and regular **health check-ups** can prevent, find, and treat many health problems before they become serious. That is why California has a **law** that says all children **must** have a health checkup within **18 months before first grade or up to 90 days after starting first grade**. Your child must also have certain immunizations, or shots, for school. Your doctor will be able to check your child's immunization record and see what shots are needed during the health checkup. Your doctor will complete this form. You must return this completed form to your child's school.

If you are not able to pay for this check-up, please call the County of San Diego Maternal Child and Family Health Services (MCFHS) to find out if your child is eligible for a health check-up at no-cost. MCFHS can also provide information on medical and dental insurance.
