

La Mesa-Spring Valley Schools AMS (Proposition 28) Annual Report
School Year 2023-2024

The 2023-2024 school year was the first year of funding under AMS (Art and Music in Schools Funding Guarantee and Accountability Act). For La Mesa-Spring Valley Schools, this was a year of planning for the elementary VAPA program, which will be fully implemented in Fall 2024. The only personnel hired for school year 2023-2024 under AMS was a VAPA TOSA, to write curriculum and pilot at various school sites in preparation for full implementation in the fall.

Furthermore, because funds and guidelines were not available until mid-year, after courses were already assigned and populated, middle school academies will not be implementing additional VAPA personnel until the school year 2024-2025.

Number of FTE (Full Time Equivalent) Teachers funded by AMS: 1

Number of pupils served: 1230

Number of school sites providing arts education with AMS funds: 3 (pilot)
