Re: Interest-Based Bargaining

Dear Meg,

The La Mesa-Spring Valley Teachers Association respectfully submits this Sunshine Letter as an indicator of good faith bargaining for the 2025 - 2026 school year.

As a result of our survey of members, and with the understanding that salary is an article that is always mutually agreed upon, we wish to open the following four additional articles:

Article 3 - Class Size
Article 5 - Benefits
Article 4 - Hours of Employment
Article 10 - Safety

Sincerely Yours,

Emily Scheitlin
